A nighttime photograph of the London skyline. The London Eye is the central focus on the left, illuminated with red and white lights. To its right, the Houses of Parliament and Big Ben are brightly lit with yellow and white lights. The River Thames flows in the foreground, reflecting the city lights. A modern bridge with white cables is visible in the lower right. The sky is dark, and the overall scene is vibrant with city illumination.

London

*The capital of
Great Britain*

A photograph of the Tower Bridge in London at night, viewed through the stone arch of another bridge. The bridge's two towers are illuminated, and the blue-painted suspension cables and walkways are lit up. A long-exposure light trail from a red car is visible on the bridge deck. The sky is a deep purple.

London

An aerial photograph of the Palace of Westminster and Big Ben in London. The River Thames flows through the foreground, with the Westminster Bridge crossing it. The bridge is crowded with pedestrians and several red double-decker buses. The Palace of Westminster, a large Gothic Revival building, dominates the middle ground. To the right, the Elizabeth Tower (Big Ben) stands tall with its clock faces visible. The background shows the dense urban landscape of London under a hazy sky.
