HALLOWEEN

**Halloween is a festival that takes place
on October 31.**

**Halloween developed
from new year festivals
and festivals of the dead.**

Christian church established a festival on November 1 called All Saints' Day so that people could continue to celebrate their festivals.

The Mass said on All Saints' Day was called Allhallowmass. The day before All Saints' Day was known all hallows' Eve or All Hallow e'en.

**Fortunetelling and
storytelling about ghosts
and witches are popular
activities.**

MIRA

People once believed that there were many ghosts and witches on the Earth and that they met on October 31 to worship the devil.

**Today, people
do not believe
in ghosts and
witches but
they like to tell
stories about
them on
Halloween.**

The main Halloween activity for children is trick-or-treating. Children dress in costumes and masks and go from door to door saying "**trick or treat**". The neighbours give children such treats as candy, fruit and pennies so that children do not play tricks on them.

Trick or treat!

In the United States children wear costumes and masks and go trick-or-treating. Many of them carve jack-o'-lanterns out of pumpkins.

Jack-o'-lanterns are hallowed-out pumpkins with face carved into one side. Most jack-o'-lanterns contain a candle inside.

**An Irish legend says that jack-o'-lanterns are named
after the man called Jack.**

**He could not enter heaven because he was a miser,
and he could not enter hell because he had played
jokes on devil. As a result, Jack has to walk on the
earth with his lantern until Judgment Day.**

Fortunetelling is an important part of Halloween. For example, a coin, a ring, and a thimble were baked into a cake. It was believed that the person who found the coin would become wealthy. The one who found the ring would marry soon. And the person who found the thimble would never get married. Today people practice cardreading or palmistry.
