MY HOBBY

We are best friends,
My hobby and I.

We have such fun

My hobby and I.

We are best friends,
Can you say why?

There are a lot of proverbs about hobbies

- He works best who works his trade.
- Every man to his trade.
- Practice is the best master.
- He who begins many things finishes but few.
- The busiest men find the most leisure.
- There is no accounting for tastes.
- Our best friend is our hobby.
- No living man all things can.
- Tastes differ.
- Where there is a will, there is a way.

One Thing at a Time

Work while you work,
Play while you play.
That is a way
To be happy and gay.

All that you do
Do with your might,
Thinks done by halves
Are never done right.

One thing at a time,
And that done well,
Is a very good rule
As many can tell.

YOUR CHOICE

All people want to spend their free time in an interesting way. Do you agree? Is it easy to find an activity, which you will enjoy, in your free time? Have you already found something special for yourself, something you do for amusement, or because you are interested in it?

Good luck!
