

Homelessness

SS

the condition of
people without a
regular, safe,
secure and
adequate
dwelling

Who are homeless today?

- 35% - families with children
- 21% - have domestic violence
- 19% - children under the age of 18

Who are homeless today?

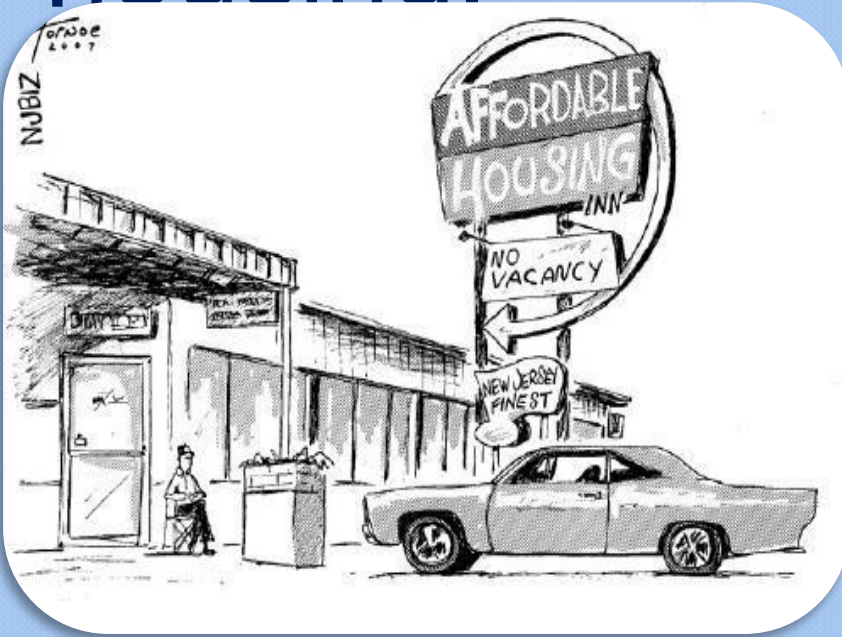

- 15% - US military veterans
- 10% - suffer from mental illnesses

Reasons of the problem

There is a lack of affordable housing.

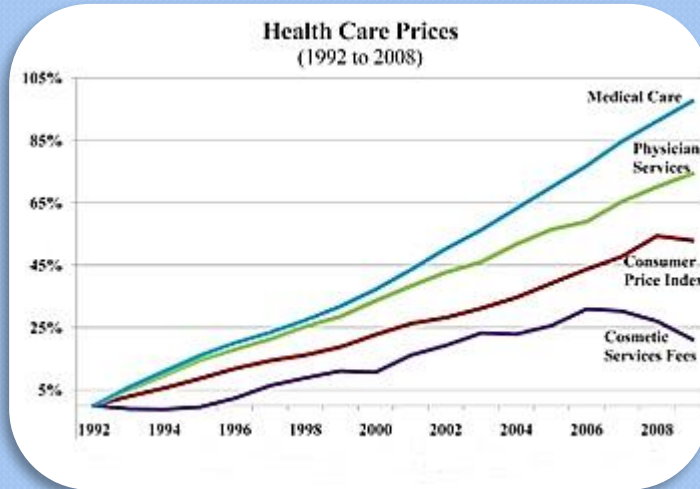

Reasons of the problem

Minimum
incomes is too
low.

Reasons of the problem

The cost of health care has risen dramatically

S

1. Reconstruct the economy.
2. Provide new places for work.
3. Increase pensions for veterans.
4. Free health care.
5. Provide better conditions in shelters.
6. Pay more attention to housing and social programs.

It's impossible to solve
the problem of
homelessness quickly,
but let's turn

into

THANK YOU FOR
