

How to write a country profile

The main aim of the country profile is to get an overview of the state in order to understand the main directions of its policy and interests. General comprehension of the country's current position regarding the main problems of the today's world community is necessary for the conference.

Structure of Country profile

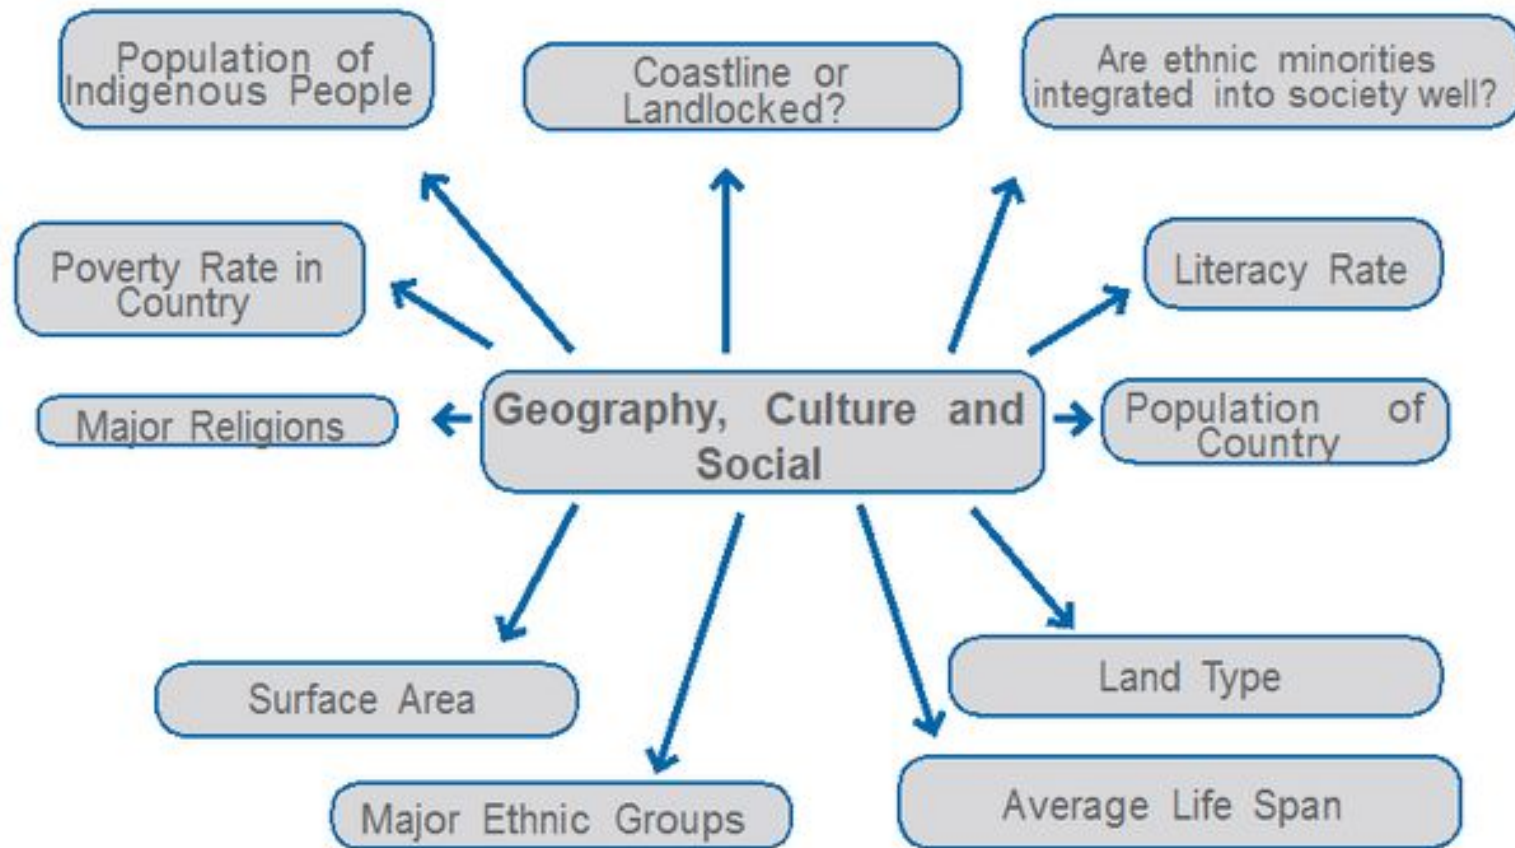

1) Most pressing problems of your state

Country Profile: Kazakhstan

Pressing problems in Kazakhstan:

- Resumption of terrorists attacks: In 2016, 4 years after the last known terrorist attack in Kazakhstan, there were already two incidents with fatal outcomes in Almaty and Aktope. Despite the fact that Kazakhstan has already banned most of the terrorist organizations, this problem still isn't solved.
