

# Sunken Treasure

*The Guessing Game for  
Treasure on the High Seas*

# Find the Treasure First!

## Instructions:

1. Divide into Teams or use individuals.
2. Pick a board to play. All game boards have a treasure hidden in different places. So if you use the game several times be sure to choose a different game board to prevent students from guessing where the treasure is located.
3. Each team or individual is asked a question. If they answer correctly, they are allowed to choose the box on the screen which they believe the treasure to be behind.
4. Teacher then clicks that box to reveal what is behind it.
5. The first to find the treasure wins. If the teacher still has questions to ask, just start the PowerPoint over and choose a different board.
