Dear Alice,

I'm on holiday in London. I (1)

am staying (stay) with my friend, Jane.

She (2) lives (live) in the centre of London,
near Hyde Park.

I (3) ~~have been~~ (be) here since

Saturday and I (4) ~~have already done~~

(already, do) lots of things. I (5) ~~have visited~~

(visit) the Tower of London, the British

Museum and Madam Tussaud's.

I (6) went (go) to Madam Tussaud's
on Monday. It (7) was (be) terrible.
When I (8) entered (enter) the Chamber
of Horrors, I (9) screamed (scream).

Yesterday Jane and I (10) went (go) shopping. I (11) wanted (want) to buy some souvenirs. But while I (12) was paying (pay) for a T-shirt, someone (13) stole (steal) my bag. Luckily, I (14) had already spent (spend, already) nearly all my money.

There (15) were (be) a lot of
things I (16) haven't done (not, do)
yet. I (17) haven't been (not, be) on
a boat trip down the Thames yet, I (18)
haven't seen (not, see) the Millennium
Dome.

If the weather (19) is (be) fine
tomorrow, I (20) will go (go) on a boat
trip. I hope Jane (21) will be able to
(can) keep me company.

I (22) like (like) London very much.

I (23) have never seen (never, see) such
a beautiful city. You (24) must (must)
visit it some day.

I (25) will be (be) back in a week, so

I (26) will call (call) you then.

Love,

Ann
