ADVANTAGES OF PACKAGED TOUR TOURISTS

- ◉ The travel agency arranges everything for you.
- ◉ They book and buy the plane or train ticket for you.
- ◉ When you arrive, you are met at the airport or at the station by a representative of the travel agency.
- ◉ A comfortable room in a hotel is already reserved for you.
- ◉ You are offered a programme of excursions which is paid for in advance.
- ◉ You don't have to worry about food.
- ◉ It's very comfortable and reliable.

ADVANTAGES OF TOURISTS ON THEIR OWN

- ◉ When travelling by yourself, you feel a sense of adventure.
- ◉ When you arrive, you can choose any place you want to stay.
- ◉ If you don't feel like going on an excursion, you don't have to go. It hasn't been paid for anyway.
- ◉ When you are in a new place, you can investigate it yourself.
- ◉ It is the cheapest type of tourism but a very rewarding one.
