- ✓ Closed: 25 Dec., 1 Jan
- ✓ Tel: 020 8940 1171

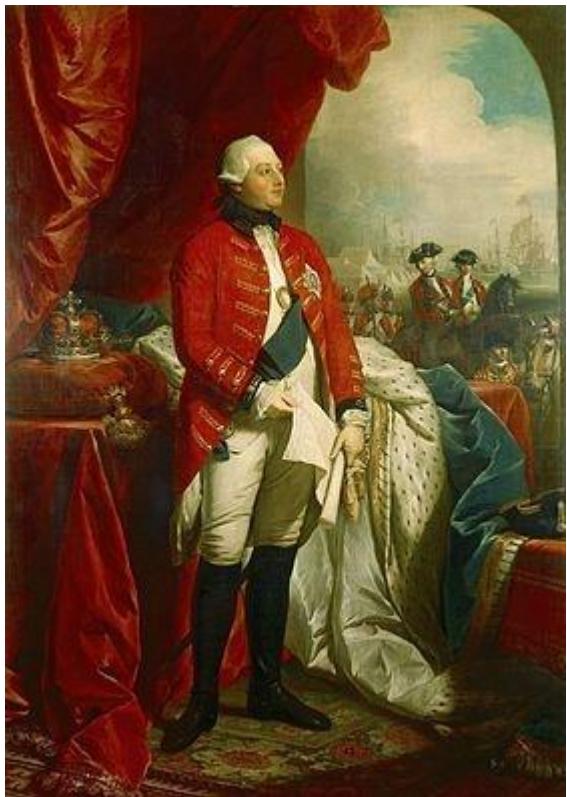

The world's foremost Royal Botanic Gardens offer a visit at any time of the year.

- Containing around 30,000 species of plants, including 13

- *The gardens were created in 1722 under the patronage of George III, but Sir Joseph Banks encourage the project.*

*Go in the spring for the lilac and
rhododendrons .*

Go in the winter when even on the greyest of days the greenhouses are full of exotic

- At Kew you will find plants from around the globe and from every habitat – desert, savanna and rainforest

application
