**london is the capital city of England and
the United Kingdom.**

**It`s situated in the south east of England, with a
population of 14 million people.**

LONDINIUM

london is one of the oldest city in the world
and history going back to its founding by
the Romans, who named it *Londinium*

DISTRICTS

Since 1965 London has been divided into 32 districts in addition to the ancient City of London.

CLIMATE

London has a temperate marine climate like much of the British Isles, so the city rarely sees extremely high or low temperatures.

ECONOMY

THE CITY OF LONDON is the world's largest financial center alongside new york. It is home to the london stock exchange and lloyds of london.

BIG BEN

Big Ben isn't the clock on the tower, but just the bell inside it. People all over the world can hear its sound on the radio and TV programmes. It's always right, never too fast or too slow.

THE RED DOUBLE DECKER BUSES

The buses known as the red double decker buses and rail network in london is very well developed, frequent and efficient.

BUCKINGHAM PALACE

Buckingham Palace is the official home of the British Monarch in London. When the flag is put up on the pole, it means that the Monarch is in the palace. It is also a famous tourist attraction because of the Queen's Poyal guards.

THE ROYAL GUARD

Every morning at half past eleven people all over the world come to see the changing of the guards: the captain of the Old Guard gives the Keys of Buckingham Palace to the captain of the New Guard.

MADAME TUSSAUDS MUSEUM

Madame Tussauds is a museum in which you can visit wax sculptures of the world's most famous people, past and present.

THE LONDON EYE

The London Eye, also known as the Millennium wheel was built in 1999, and since then the biggest observation wheel in the world. It is 170m high and you can see the beautiful London skyline from the top.

An aerial night photograph of London, showing the city's lights and the River Thames. The Tower Bridge is prominent in the lower center, illuminated and spanning the river. The city extends to the horizon under a dark, cloudy sky. The text "Thanks For Attention!" is overlaid in a large, yellow, serif font in the upper-middle part of the image.

Thanks For
Attention!
