

A photograph of the Lviv National Art Gallery building, a grand, multi-story structure with a yellow facade and numerous windows. The building features ornate architectural details, including mansard roofs and decorative elements. In the foreground, there is a large, circular garden bed filled with green plants and some colorful flowers. The sky is a warm, orange-brown color, suggesting a sunset or sunrise.

# Lviv National Art Gallery

Prepared  
Founded in Manakova Svetlana

1997

the largest art museum in Ukraine. Located on the street Stefanik 3, opposite the library name Stefanik. The total number of items is more than 50 thousand.

Parts gallery.

# Department of Italian Art.

Italian primitives are generally rare in museums around the world. Only one exception - London.

So in Lviv, you can see only a few examples of early Italian painting.

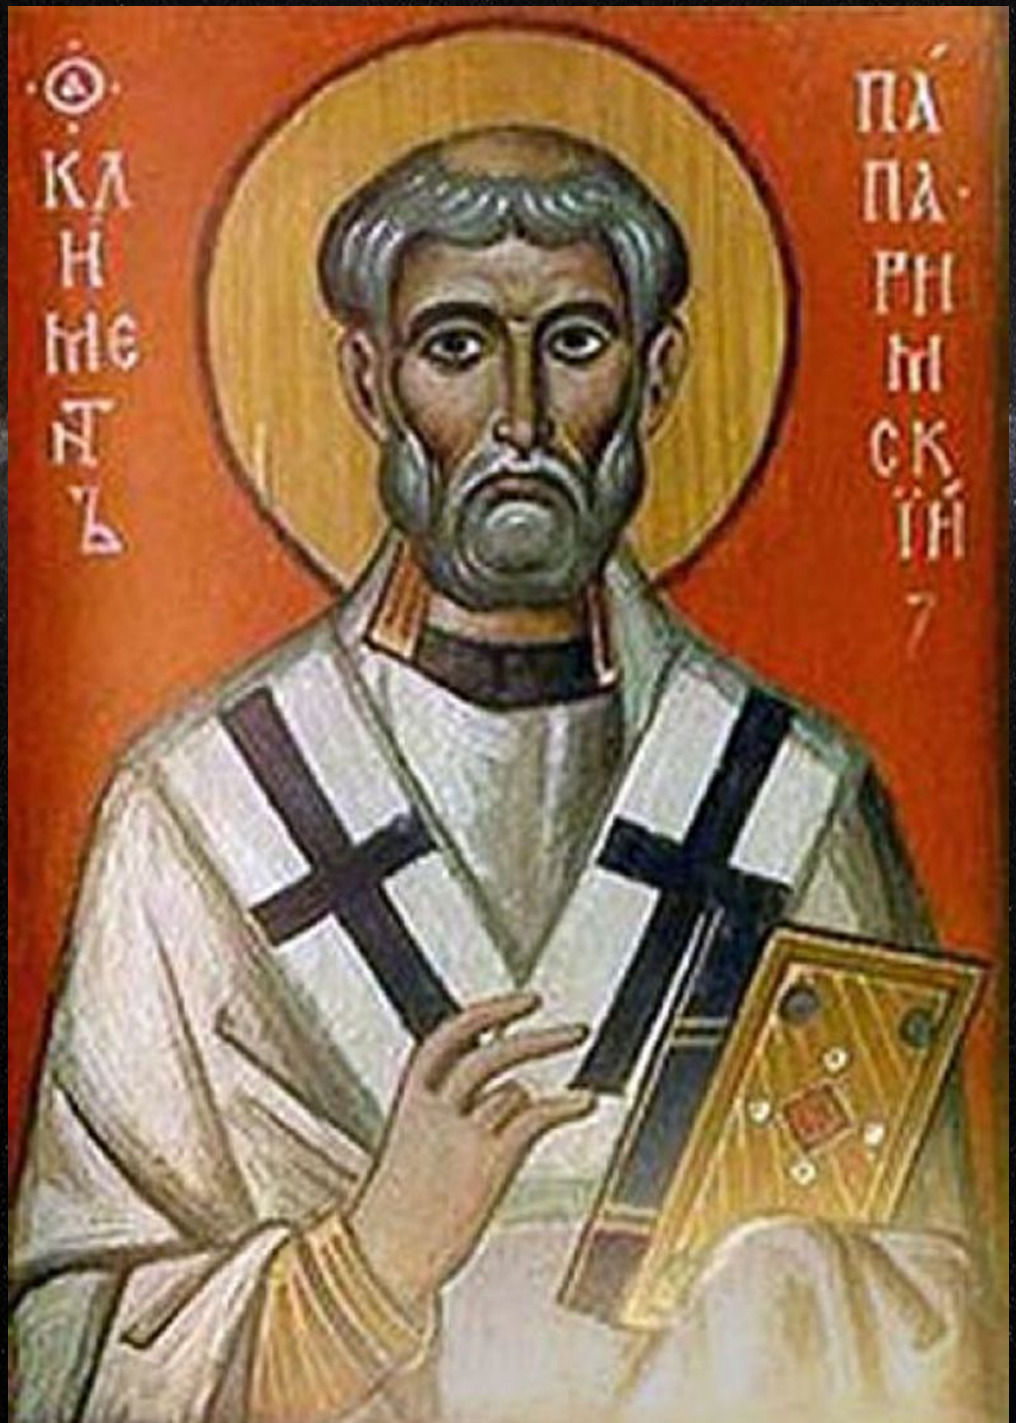

"Madonna with Child and Catherine of Alexandria"

# Artwork Spain.

Art of Spain should be studied only in Spain itself. Samples of her art in other museums around the world are rare.

Jose de Ribera  
painting "Saint  
Jerome" 17  
century.

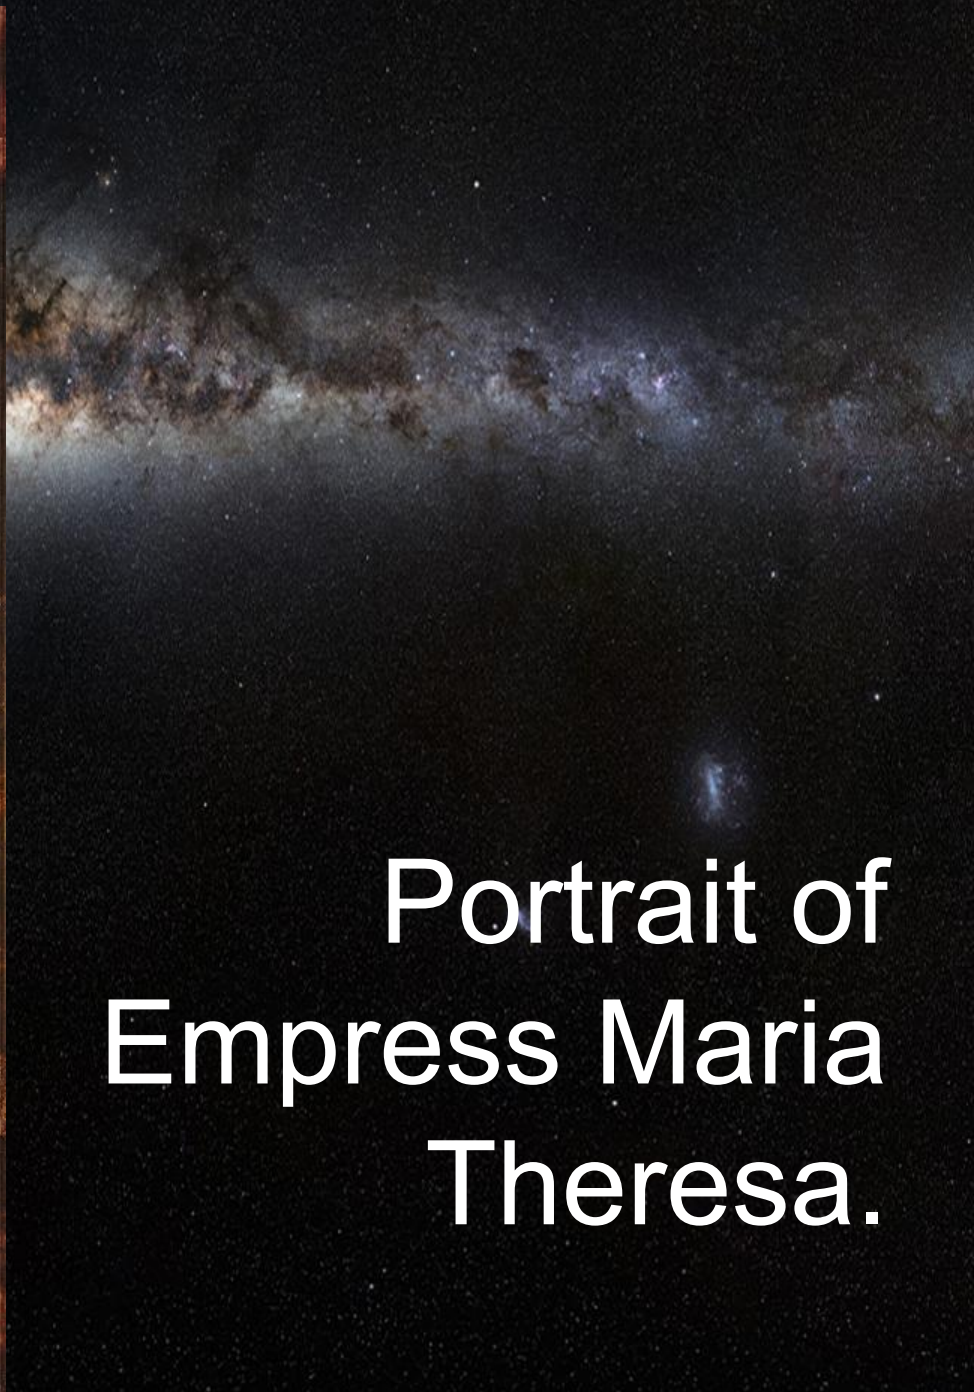

# WORKS OF ART IN FRANCE.

Works of artists of France is very difficult to acquire. Even more difficult to collect. It was, perhaps, always. Art of this country had practically no crisis was prestigious.
