## Situation

MAFIA is situated in the centre of Kyiv (in the downtown). It's an expensive restaurant, so I went there with my friends.

# My favourite dish

My favourite dish in MAFIA is the “Meter Pizza” – a long and very delicious Italian pizza. We ordered it for 150 hrn.

The design

The inside design of  
MAFIA is in Italian style.  
There are a lot of baroque  
decorations (columns etc.)

# Staff

The staff in restaurant is friendly and glad to see any visitor. Their smile and tolerance will impress you for a long time.

# Invitation

I want to invite you to  
MAFIA – my favourite  
restaurant.
