Аудирование

Some days ago all shops were very busy. People bought presents for their mothers, sisters, wives, grandmothers and girl-friends. For me choosing gifts is a difficult business. I never buy whatever comes up. I think twice and try to find reasons before buying this or that. This year I've bought a saucepan for my Granny. Her old one was too small for our family. I've bought a beautiful card for my mother. Besides my mother likes flowers very much, so white roses were the nice gift for her. My little sister likes watching cartoons. So I've bought a cassette with her favourite ones. Everyone was glad on the 8th of March.
