# Korol & Shut

"The King and the Clown" (an abbreviation of Kish) - Russian horror punk band formed in Leningrad in 1988 and ceased to exist in 2014 on the death of its founder, Mikhail Gorsheneva years July 19, 2013 .

Stands out for its unusual for a classic punk rock style. Songs are small groups complete stories often in a fantasy, mystical and historical manner. Initially, the dominant component in the musical rhythmic punk rock, eventually went beyond the boundaries of style, and now the band's music has absorbed many elements: folk-rock ("Acoustic Album"), art-punk ("Teatr demon"), Street punk ("Mutiny on the ship") and many others.

Scenic image of the band has been constantly changing and often includes makeup, appropriate topics of songs . 27.02.14
