My dad is a strong,tall man .His name is Vladimir. His second name is Alexandrovich. He was born in Leningrad region, Volhov city; on August 28, 1973.

My mother's name is Catherine .My mother has middle length dark hair. Sometimes she wears them in a bun. She is very pretty woman. She has hazel eyes and a very kind look. Her friendly and warm smile supports me all the time. When I don't understand something – she explains it to me. She taught me how to cook and sew. She is very attentive and helpful — she notices when I'm sad and when I need her advice. She is the most important person in my life. I love her very much.

I am a boy of sixteen. When I look at myself in the mirror I see a boy with short black hair, brown eyes. As to my appearance I'm rather tall and slim. I think that I'm calm and modest. I like my friends, I like to laugh and joke. I have got a good sense of humour. There are many things in our life I like and some I dislike. I like when everything is good.

I was born on the 15th of February 1999 in the town of Samara .
