

# My future restaurant "Shynok"

# Ukrainian is one of the most hospitable nations in Europe

They say that one of the most hospitable Ukrainian nation in Europe. Slavs always stood out skill to receive visitors, and Ukrainian language is even the right word-" LIVING". That is a host within someone and treat someone ... Restaurant "Shynok" gives us an excellent opportunity to experience the fullness of the Ukrainian word. Upon entering the restaurant, once you get into another dimension. World of Ukrainian traditional houses. On the threshold you immediately meet beautifully dressed girls in traditional Ukrainian clothes offered a place will. Near the front door hangs People shynkivskyy calendar where indicated birthdays month. Every guest that visits the " Shynok " in the name day and certify your name, get a significant discount. Trifle, but nice.

# Restaurant "Shynok"

Restaurant "Shynok" has four cozy rooms. Everything here Ukrainian: embroidered towels and wooden tables. Currently Ukrainian folk music - every evening guests entertained music. Decor of restaurant is impressive: everything is made with the soul and at home, really like being surrounded by Ukrainian houses - not elegant, but simple, warm and cozy.

# Replete with authentic

The "Shynok" is replete with authentic: decorative carts, ornaments in the Ukrainian style ... There is even an ox and a cow, not true, of course, simply very nice. First, the eyes diverge from all bright jumble, but quickly get used to, and after some ten minutes it seems that you are here for a long time.

# Attentive waiters

That brought the menu. Attentive waiters watching your every movement and try to fulfill your every wish. It noted a variety of food and drinks in a restaurant menu. Ukrainian traditional cuisine really rich recipes.

# Menu

Borsch, cabbage soup, pickles, various dumplings, potato pancakes with sour cream, cakes, stuffed cabbage, black pudding, roast potatoes .Several species. And drinks: stewed fruit, brew, colorful liqueurs, vodka, beer. For dessert, you can order pancakes, poppy cake, pancakes.

I'm glad to see you  
in his restaurant
