

My house

A person is shown from the back, standing against a white wall. They are wearing a black backpack with a white electronic device attached to the back. A red cable runs from the device down to a white rectangular box on the floor. The person's right hand is pressed against the wall. A white electrical outlet is visible on the wall to the left. A grey door is partially visible on the right side of the frame.

Four strong walls,
One, two, three, four,

Windows bright,

A painted door

Carpets, curtains,
cushions gay,

beds and chairs
we use each day
