My little kitten

*I have a kitten. It is
Scottish straight
ht. It is named
Anfisa. It is so
funny and
beautiful. It is play
and eat all day
long.*

- *When it was a small kitten at it there were brothers and sisters, they play together. But now it is play alone.*

- *A cat is good for a small flat, and if you live in a big flat or a house you can keep a dog. It's much simpler to have a cat because you don't have to walk a cat every day.*

- *My kitten awakes
me in the mornings
licks to me my face
and I wake up.
Then we together
go on kitchen and
we have breakfast.
It is very much
like milk and fish.*

- *When who isn't present the house, it directs a disorder scattering on apartment my textbooks and slippers. When I come from school to me it is necessary to clean all behind it. Here such amusing kitten at me!*

- *To have a pet at home is a very good thing. And it is not important what pet you have. You may have a dog, a cat, a hamster, a parrot or a fish. The most popular pets are cats and dogs.*
