

You are what you eat.

Project 1
Zykov Alexandr

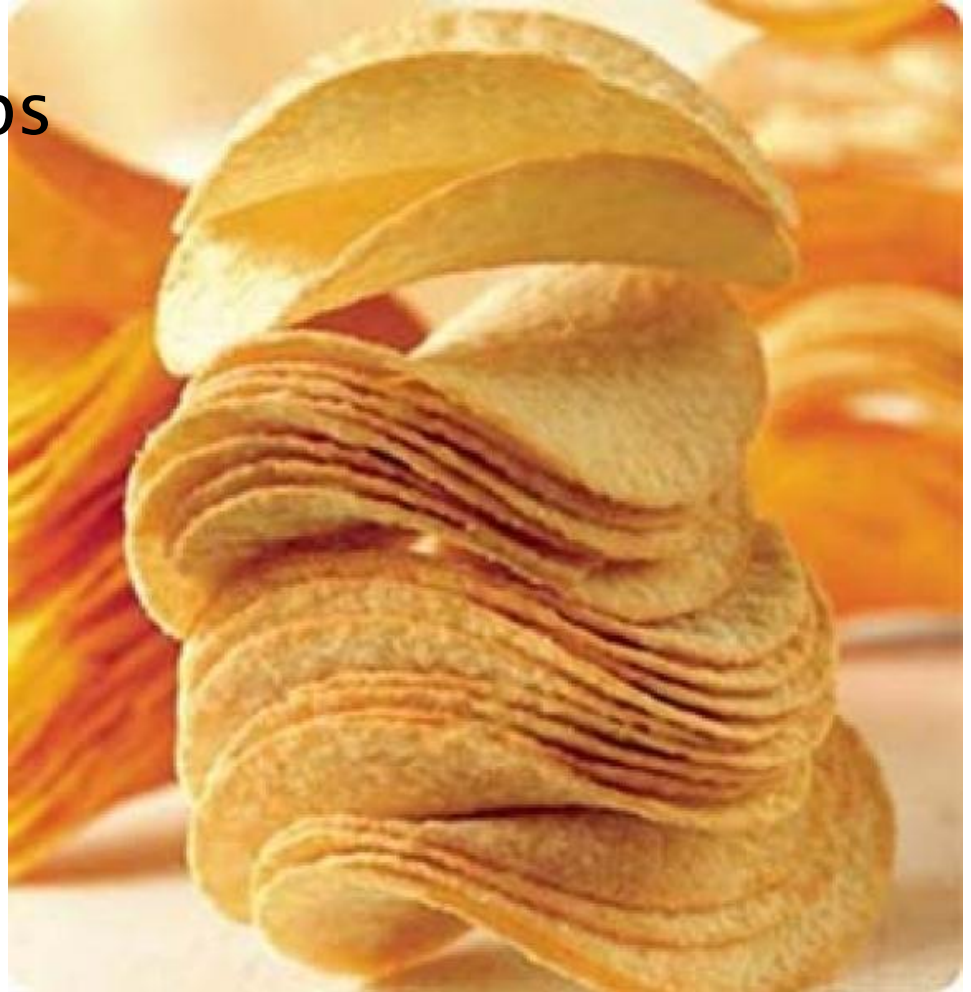

healthy and junk food.

Now I will submit the list of junk food.

- First place win - chips

the second place at fast food.

**On the third place mayonnaise
and ketchup settled down.**

THE FOURTH PLACE AT ENERGY DRINKS

**And the fifth place at
chocolate.**

Now we will talk about healthy food

On the first place fruit settles down.

second place berry

the third place at garlic with onions

on the fourth place milk

and the fifth place at fish

I consider if people avoid junk food. And is useful, then they will be more healthy, and strong.

The End
