# traditions Kalmyks

- ▣ *Tsagaan -one of the most beloved national holidays. Since ancient times, the Kalmyks revered as the Spring Festival, the awakening of nature.*
- ▣ *Zul holiday begins early in the first month of winter, so the month is called Zul Sar.*

# national dishes

- Kalmyks have long been prepared and eaten flour dishes, but they did not differ in such diversity as an agricultural people. As for drinks, the most common was the Kalmyk tea. He was in the full sense of the word everyday food for the majority of the population. It was used before meals and after meals. Preserving traditions respected member of the family, the guest of honor or just a casual traveler who came primarily served tea.
