SUMMER CLOTHES

When it is hot and sunny we prefer wearing T-shirts, shorts, caps and sandals.

AUTUMN CLOTHES

In rainy windy weather pullovers, raincoats, boots, sweaters, trousers are very comfortable for children.

WINTER CLOTHES

In frosty winter days when it snows and the cold wind blows we wear warm clothes – coats, fur coats, scarves, high boots and mittens.

SPRING CLOTHES

In spring we like wearing jackets, shirts, caps, trainers and, of course, jeans.
