Read the questions carefully and think about the answers to them:

What is the ocean?

Do we need the ocean? Why / why not?

Does the ocean need people?

Is the ocean big? How big is the ocean?

Is the ocean old? How old is the ocean?

Does the ocean help people? How?

Do people help the ocean? How?

The unique Nature is Speaking project

The ocean reminds us that people need it, not the other way around.
