What does boy's grandmother do every day?
Who helps her?

Dear Tom and Pete,

Sorry, I haven't written for so long, but I have a lot of work to do every day. I usually clean the house, wash the dishes and cook tasty meals. I work in the garden, too. Nobody helps me.

Yesterday (вчера) I cleaned the house, washed the dishes, and cooked tasty pies. I worked in the garden. Last week (на прошлой неделе) I visited my friend Mary in the evening. I was so tired.

And you, my dear? What did you do last week? Will you be so kind to come to my place to help me?

Write back soon.
With love,
Granny
