**Karen Hahn :  
Designed with  
tradition  
in mind, Karen's  
design feature  
timeless symbols  
and sentiments of  
the season  
that  
will be heirlooms  
for  
a new generation.**

**My desire was that the collections would convey inspirational messages that reflect connections to family, faith, home and the foundations of life. The Heart of Christmas collection is my gift to the traditions of a classic Christmas when tables were set with Grandma's china and the mantles were covered with as many pine boughs as possible.**

**Enjoy**
