

Professions

Before each person at a certain time there is a question about choosing a career.

To solve it you need to know about their individual characteristics, interests, preferences. On the basis of strong interest generated addiction a person wants a particular type of activity.

Cook

Cook - a person who is engaged in the preparation of food public catering. But these are dry and boring words can not fully describe cookery profession. Because the chef, sometimes called a true magician who can most common products to make a meal, whose name - a masterpiece of taste.

**The chef must be an
aesthetic taste,
imagination, creative
inclinations, or on
sandwiche
leaves.**
