Make up questions. Use the words from the table:

Do you like	playing the guitar?
	travelling?
	playing chess?
	growing exotic plants?
Did you choose	the Musicians' Club?
	the School Theatre?
	the Computer Club?
	the Dancing Club?

Ex.93 p.30:

Listen and say what Dima wants to do after classes?

Choose the right variant:

- 1) play football
- 2) make a wall newspaper about their school clubs
- 3) choose the club

Ex.94 p.30:

Put the sentences of the dialogue in the correct order (1-4).

- That's very interesting! Can I join you?

- Sorry, Jim. I can't today. I promised Katya and Lena I'd make a wall newspaper about our school clubs.

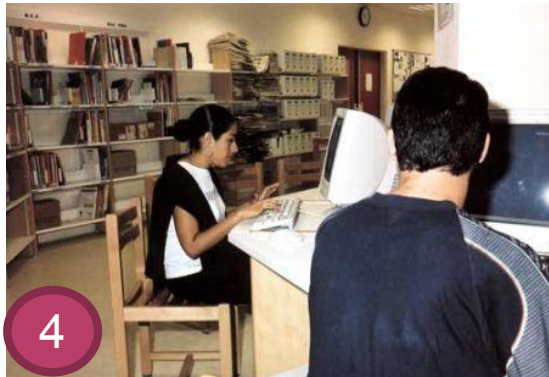

- Of course, Jim. Then you can choose a club.

- Dima, would you like to play football after classes today?

Listen and check the order.

Our school clubs invite you!

Here are more clubs. Read about them.

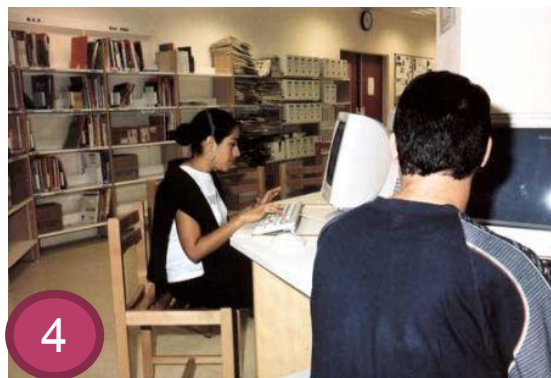

Photography — Take the best photo of the month and get a fantastic prize! A new camera! Show off your artistic side!

Travellers' Club — Do you like to travel? Then you are welcome to our club. We go sightseeing and study the history and traditions of our country. Get the map, make the plan and go!

Tennis Club — All you need is a racket and a ball! Let's play! We need strong and clever boys and girls who like sports!

Musicians' Club — Come and play the piano (violin, guitar, drums) or choose from many other instruments! Let's make the school orchestra together!

Which club would you like to choose?

**Why do we attend
different school clubs?**
