Sochi

Continent: Euroasia

Population: 500000

Language: Russian

Currency: rubles

TOURISM

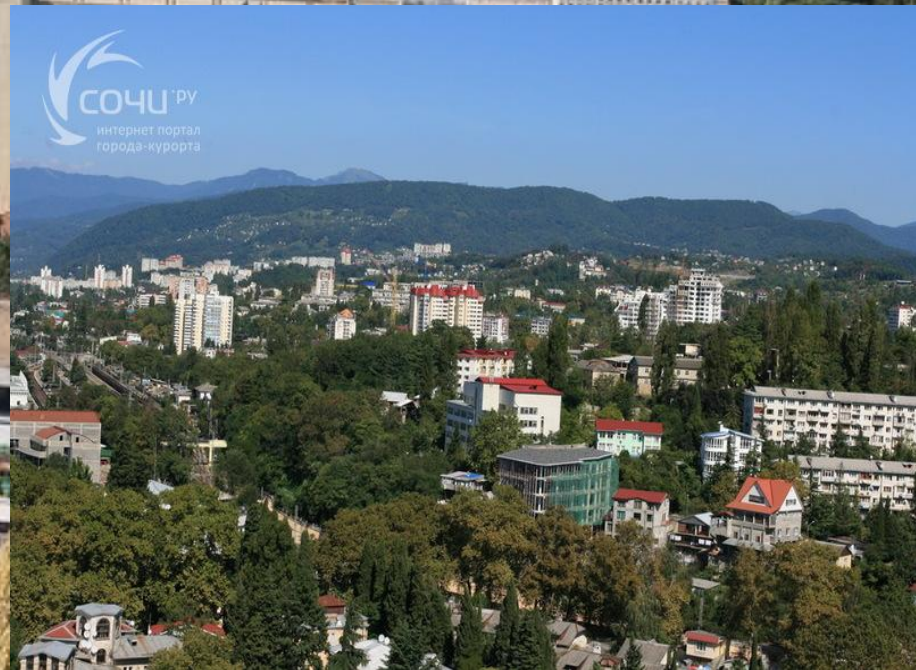

Sochi is one of the world's largest cities .It has beautiful landscapes, golden beaches, hotels and sanatoria, museums, green parks, night clubs, colourful street cafes, restaurants and shops. It's a great place to visit. Five million people visit it every year.

A sailboat with a tall, conical sail featuring alternating horizontal stripes of yellow and red is sailing on a blue body of water. The boat is positioned in the center-right of the frame, with its reflection visible in the calm water below. The background shows a clear blue sky and a distant, hazy horizon.

Homes

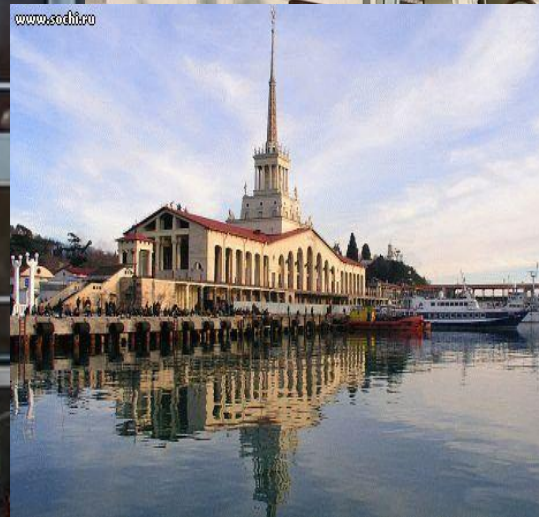

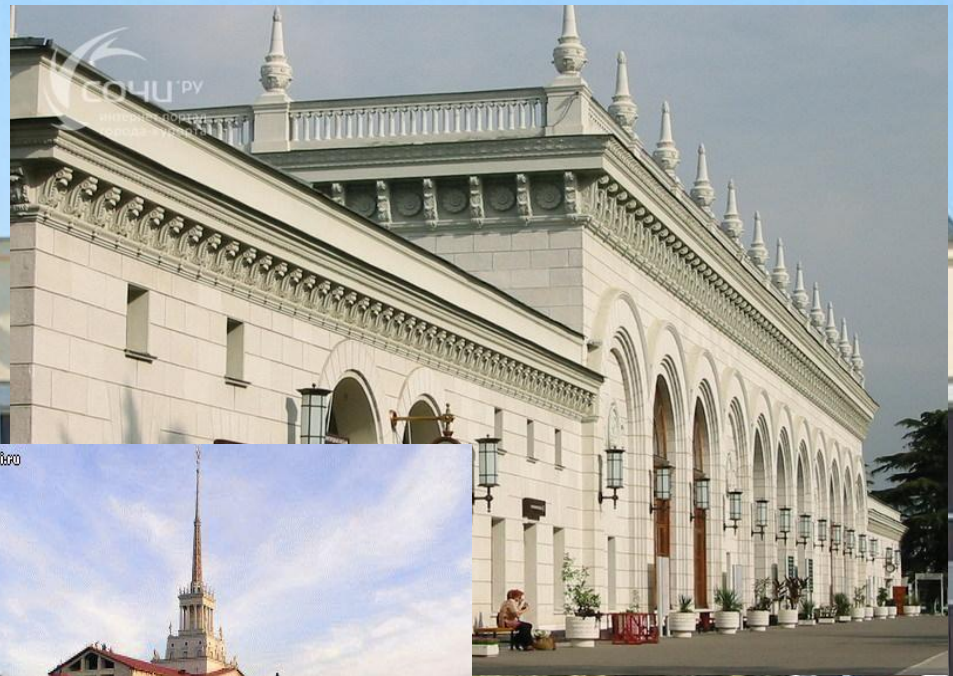

Many people live in beautiful houses with gardens or in cottages. Others live in block of flats near the city center

www.sochi.ru

Transport

Sochi is a difficult city to drive in, because of the heavy traffic. There are a lot of cars, buses, minibuses, seaport, a railway station and an international airport

Leisure

In their free time people from Sochi enjoy going to the cinema, theatres, night clubs and visiting exhibitions and museums. They like playing football and beach volleyball.

Food

The people of Sochi are very friendly and helpful. The food is excellent, too! The restaurants and cafes serve delicious local food like shashlyk and hachapury

All in all, Sochi is worth visiting. It's an ideal place for spending holiday.
