It sounded ideal for me as I don't mind 5) being (be) outside in cold weather, and I like 6) exercising (exercise). I expected 7) to find (find) it easy, but it wasn't. I kept 8) practising (practise), though, and now I'm quite good. My coach thinks I may 9) become (become) a professional rugby player one day.

On the other hand, roller-blading is an 5) exciting (excite) sport and is easy to learn. It's fast and fun and keeps you fit because you have to use all your muscles.
