CKDOWN, After Epic Battle, Obama Claims the Nomination

Next on Agenda Is Clinton's Role

## By ADAM NAGOURNEY

Senator Barack Obama heads into the general election with obvious advantages: He is a Democratic candidate running in a sour atmosphere for Republicons, in a contest where voters are hungry for change and coming out of a campaign in which he filled arena after arena with sup-

Yet while he would like to shift his attention fully to the onslaught already coming from Senator John McCain and the Republicans, Mr. Obama still bas problems in his own party that may overshadow everything else Laurent them: How to
