

The United States of America

The USA

The country is situated in North America.
It is the 4th largest country in the world.

The capital

The capital of the country is Washington. It was named after George Washington who chose the place for the capital and was the first American president.

The USA

- The population is 250 million people
- The official language is English.
- But the English language spoken in the USA is known as American English.
- There are 50 states in the USA.

The flag

The flag is called “Stars and Stripes”

The 50 stars stand for the 50 states of the Union, and the 13 stripes stand for the original 13 states.

New York

There is no city like New York. It is known as «The City That Never Sleeps». The Statue of Liberty - a symbol of freedom is situated here.

Los Angeles

Los Angeles is very big, noisy and famous all over the world because there is Hollywood. In Hollywood American films are made. And near Los Angeles there is wonderful fairy land called Disneyland.
