

The Unusual Sculptures and Monuments in English-Speaking Countries

Работу выполнила Абдурахманова Галина Расуловна, учитель английского языка
МБОУ Уметская СОШ Тамбовской области

Vancouver, Canada.
Engagement rings in the ground
at English Bay. By Dennis
Oppenheim, made of glass, steel,
and aluminum. It should be a
good place to engage!

The real traffic light tree in London. Height of the "tree" - 8 meters, the branches and leaves had real lights. On this tree "grows" 75 working lights

**This statue to Peter Pen was built on May 1, 1912 in
London's Park, not far from Kensington Palace**

Italian painter and sculptor Lorenzo Quinn has prepared four-meter sculpture - a huge aluminum child's hand takes the Fiat 500

**Newton sculpture is in front of the British Library.
Sculptor Eduardo Paolozzi built it in 1995. Paolozzi
has perhaps more works of public sculpture around
London than any other artist**

«Little Ben» is located in the central part of London. It was built in 1892, removed in 1964 and re-established in 1981

Unusual Monuments: Cadillac Ranch, Texas. Created in 1974, it consists of a row of half-buried Cadillac cars. Spray-painting graffiti or other messages on the cars is encouraged by the Ant Farm art group, which created the monument

**USA, Philadelphia. Monument "Liberty" or in
other words, it is called "Rush."**

Sculptor Zenos Frudakis

**Sculpture-fountain "Mustangs of Las Colinas."
Bronze mustangs run among the stone jungle of
Texas**

**This unusual monument is in front of the building of
the company «Ernst & Young» in Los Angeles**

Cat sculpture on a bench in Maryland. You can sit
and have a rest here

Singing tree sculpture in the UK - is a musical sculpture resembling a tree, which consists of pipes of different sizes and comes alive when the wind blows

Monument to the football fans, Toronto, Canada

Unusual house is located on Oxford Street.
Headington area residents saw the roof with the metal
tail shark, a length of about 7.5 m

Americans - practical people. The giant clothespin in Philadelphia, in Centre Square Plaza. Its height is about 15 meters!
