

There is...

There are...

There is...

There are...

There are...

There ...

There ...

There ...

There is...
There are...

There...

How many horses are there?

There is one white horse.

There are six toys and there are seven pictures of horses.

..... horses

..... one
real horse.

.....
six toys and
.....
seven
pictures of
horses.

REMEMBER...

How manyare there?

There are.....
