The United Kingdom of Great Britain and Northern Ireland is situated on the British Isles. The British Isles consist of two large islands, Great Britain and Ireland, and above five thousand small islands. Their total area is over 244 000 square kilometers. The United Kingdom is made up of four countries: England, Scotland, Wales and Northern Ireland. Their capitals are London, Edinburgh, Cardiff and Belfast respectively.

One of the most visited cities is London. This city is the capital of the UK. It's a huge metropolis, the area of this city is 1706,8 km. More than eight million people live there. Date of creation of London is 43.

English and Welsh are the official languages of Britain.

The London Eye

The London Eye is one of the largest Ferris wheels in the world, located in the London borough of Lambeth on the South Bank of the Thames.

Big Ben

Big Ben is the most famous landmark of London. Although often called "big Ben" refers to the clock tower of the Palace of Westminster, more formally known as "St. Stephen's tower", in fact, big Ben is the largest bell of the six located in the tower.

Tower bridge

This bascule bridge. Thousands of tourists come here to look at the bridges. But to arrive just in time is quite difficult, because in the past the bridge was diluted every time the ship needed to pass under it, and now, by prior arrangement only.

Loch Ness Lake

Loch Ness is a lake in Scotland.

The length of the lake - 37 miles and a width of 2 kilometers. Its maximum depth reaches 200 meters.

Thank you for your
attention!!!
