

Tyumen

Tyumen

Tyumen is the largest city and the administrative center of Tyumen Oblast, located on the Tura. Today Tyumen is one of Russia's most important business centers, it is also prominent in the political and cultural life of the country.

Tyumen rapidly developed from a small military settlement to a large commercial and industrial city. The central district of Old Tyumen retains many historic buildings from throughout the city's history.

Sights of Tyumen

In recent years the city considerably changed. New residential districts are built, highways and bridges are built, streets are expanded. Feature of Tyumen is the combination of the modern city and old "capital of villages".

We are residents of Tyumen we are proud of the drama theater with its rich history and traditions. In our city there are many libraries, including one of the largest in Western Siberia the Tyumen regional scientific library of D. I. Mendeleyev, and also a set of theaters, museums, monuments and hotels.

Bridge of Lovers

Bridge of Lovers in Tyumen is the most romantic place of the city and one of its main sights. The bridge in Central federal district of Tyumen connects coast of Tura.
