

Учебно-методический комплект
М. З. Биболетовой
«Enjoy English»
Для 5-9 классов

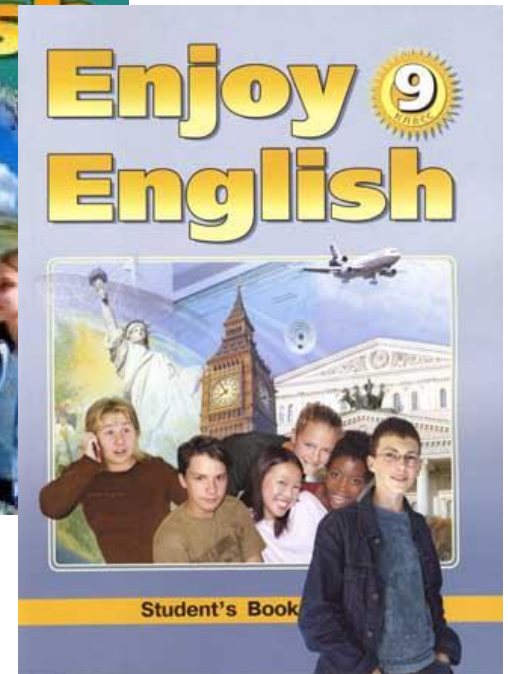

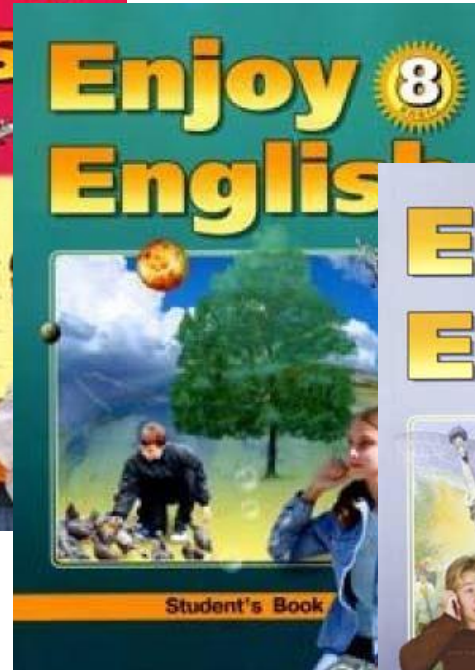

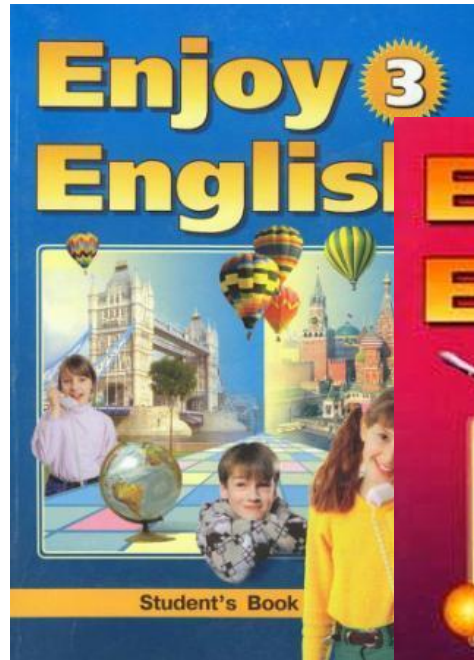

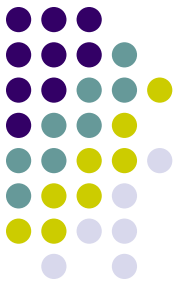

Эффективность подготовки к сдаче ГИА

Подготовила Теркулова Е. Б.

Мерем Биболетова - кандидат педагогических наук, доцент, ведущий научный сотрудник лаборатории иностранных языков ИОСО РАО (Института общего среднего образования). Биболетова – один из разработчиков стандарта образования по **английскому языку**, автор тематического планирования и рабочей программы “*Enjoy English*”, в которую вошли учебники и решебники для всех классов школы.

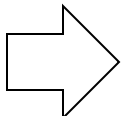

Краткая характеристика пособия

- Учебник имеет удобную и понятную структуру
- Осуществляется систематическое повторение правил чтения, лексического и грамматического материала
- Возможность работать как в специализированных, так и в общеобразовательных классах
- Направленность на развитие коммуникативных навыков
- Доступность материала для понимания и усвоения
- Обилие лингвострановедческого и иллюстративного материала

Принцип построения работы с учебником

Units  Thematic sections

Аспекты

- Grammar
- Vocabulary
- Function

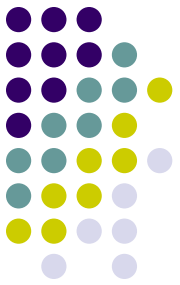

Учебник тематически разделен на 4 раздела, что соответствует учебным четвертям в школе и значительно облегчает разработку учебно-тематического планирования

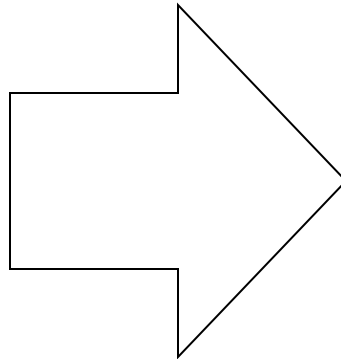

Обязательные навыки

учебник для 5-6 классов предполагает овладение учащимися следующими основными навыками:

- Speaking
- Writing
- Listening
- Reading

- Возможность самостоятельно изъясняться, грамотно строить предложения и свою речь
- Наличие «фундамента» для дальнейшего изучения и совершенствования иностранного языка

Дополнительные навыки

Учебники для 7-9 классов, помимо вышеперечисленных навыков, способствуют развитию:

- Expressing opinions

- Talking on themes

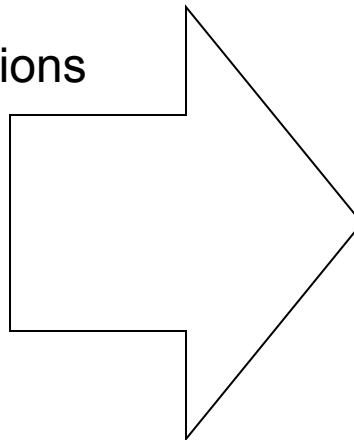

- Making/accepting/refusing suggestions

- Discussing

- Analyzing

- Debating

- Completing/writing documents

- Большое внимание уделяется коммуникативному аспекту

- Обучение проходит в режиме интерактива

Материалы, представленные в УМК Биболетовой, а также структура построения уроков отвечают требованиям уровня подготовки выпускников к сдаче Государственной Итоговой Аттестации.

УМК выполняет основную функцию, стоящую перед предметом «Английский язык»: формирование коммуникативной компетенции у учащихся, подразумевающей способность общаться на английском языке в пределах тем школьной программы и последующее использование его в жизненных ситуациях.

В материалы УМК включены задания, максимально приближенные к структуре ГИА и ЕГЭ, позволяющие подготовить школьника к экзамену.

УМК содержит материал для дополнительной интенсивной тренировки учащихся в чтении, письме и говорении, который позволяет скорректировать знания учащихся в области грамматики и лексики.
