

Right or wrong?

- 1. There are twelve months in a year.**
- 2. In Great Britain there are three summer months.**
- 3. There are 30 days in June.**
- 4. June comes after August.**
- 5. In Great Britain May is the first summer month.**
- 6. There are twenty-eight or twenty-nine days in February.**

Right or wrong?

- **There are two seasons in Great Britain.**
- **Winter is the coldest season of the year.**
- **In winter it rains and snows in Great Britain.**
- **People celebrate Christmas on the 23rd of December.**
- **Halloween is on the 31st of October.**

Halloween is on the 31st of October.

When is.....?

-Women's Day in Russia;

- **Mother's Day in Russia;**
- **Father's Day in Russia;**
- **Defender's of Motherland Day in Russia;**
- **Victory Day in Russia**

There are four winter months in Great Britain.
They are November, December, January and February.

November is the first winter month.

In winter the days are short and the nights are long.

It's usually cold in winter.

In December English people celebrate Christmas.

You received a letter from your English
pen friend Ann.

Dear Kathy,

Great news! We shall celebrate Easter in a week!
Spring comes at last. It's warm and sunny. There are
green leaves on the trees. I like spring most of all.

What about you? What is your favourite season?
Why do you like it? What can you do during this time?

That's all for now. Write me back.

Best wishes,

Ann

Dear Ann,

That' s all for now. Write me back.

Love,

Kathy

Dear Ann,

That's all for now. Write me back.

Love,

Kathy
