"No, I didn't make it dirty," the Sheep answered. "I didn't put my feet into the water. I drink with my mouth and not with my feet. Look! My feet are not in the water."

"OK. Then it was last year. You put your feet into the water last year!" the Wolf shouted. "And you made the water dirty."

"But I am only four months old," the Sheep said. "How could I put my feet into the river a year ago?" "If it was not you, then it was your brother or your father," the Wolf shouted and jumped on the poor (бедный) Sheep. But the Sheep ran away. And the Wolf fell into the water.
