

*We must protect our
environment.*

Ronditenov Sergey

How do we treat our nature?

So?

May be some, but most . . .

*cars in our streets...
Nobody doesn't want to
change there way of life
or lose their money...*

factories...
Change our transport...

*Why does our nature
must suffer?*

...our people?

... our kids?

... and animals?

Just watch and compare
