Part 2

- 1 Mark's class teacher wants all her students to find e-pals on the internet – students they can write to in schools in other countries. Read what Mark says about himself.

Hi everyone! My name's Mark and I've just had my 14th birthday. I'm living in France at the moment, but I'm originally from Canada – we moved here two years ago when I started at high school. I'm not great at maths, but I still enjoy it – although what I like best is art. I love drawing at home, and using my computer in my room for playing games or contacting friends. I enjoy writing songs on my guitar, too. I'd like to perform with my friends one day! I'm not keen on doing sport, though – lots of my friends play football, but not me. I'm quite a tidy person – I haven't got many books, but I always put them away on the shelves. And people say I'm very friendly, too! I always chat to people when I take our dog for a walk.

- 2 Complete the information about Mark.

Name: <u>Mark</u>	Age?
From?	School?
Favourite lesson?	
What does he like doing in his free time?	
What sort of person is he?	

- 3 Look at the pictures below. Which is Mark's room, do you think – A or B?
Give reasons for your answer.

I think ... is Mark's room, because ... I don't think it's ... because ...

A

B

4 Read information about three possible e-pals for Mark. Underline details which match Mark's description in Exercise 1.

- 1** Tom likes sending emails and playing computer games, and wants to talk about sport with his e-pal. He'd also like to find someone who loves reading lots of different books.
- 2** Cris is looking for someone who's lived in a different country. He'd also like his e-pal to have similar interests to his of writing music and being a member of a band.
- 3** Sam wants to write to someone who's just changed schools, as he has. He also wants to find someone who is friendly and likes animals.
