

Welcome, Welcome Spring

March

April

May

are SPRING

What a nice day
It is today!
I'm happy and merry,
I sing again
Because today
It is spring again.

- 
1. Dig the ground.
 2. Rake around.
 3. Sow the seeds.
- And you will gather flowers.

Thank you, children.
It's good to be back
On the soil again,
Out in the garden
To work again.
It's good to plant
And sow again,
To dig and to rake
And to work all day.

A little sun,
A little rain,
And lovely
flowers
Are here again.

Rain, rain, rain, April rain,
You are feeding seeds and grain,
You are raising plants and crops
With your brightly sparkling drops.
Rain, rain, go away.

Flowers here,
Flowers there,
Flowers in blossom
Everywhere.

Кроссворд.

1. The flower that is like the golden sun.
2. A spring month.
3. A spring month.
4. The flower whose dress is violet.
5. The flower whose dress is white.
6. Are the days in spring longer or shorter?

A lush, green forest scene. On the left, a large, textured tree trunk stands prominently. The background is filled with dense foliage and trees, with sunlight filtering through the leaves, creating a dappled light effect. In the foreground, a calm body of water reflects the surrounding greenery and the sky. The overall atmosphere is peaceful and natural.

The End
