The background of the image is a dark, moody scene of rain falling onto a wet, reflective surface. The rain is depicted as numerous vertical streaks of varying lengths, creating a sense of motion and depth. The ground at the bottom is dark and glistening, with many small, bright white and blue highlights where the rain has just struck, creating a bokeh effect. The overall color palette is dominated by deep blues and blacks, with the bright, warm colors of the text providing a strong contrast.

A wide-angle photograph of a dry, cracked landscape. The ground is covered in a network of deep, irregular cracks that form a mosaic-like pattern. In the background, a range of mountains is visible under a bright, hazy sky. A small cluster of palm trees stands on a ridge to the right. The overall color palette is dominated by warm, golden-yellow and orange tones, suggesting a hot, arid environment.

A photograph of a winter scene. In the foreground, a red wooden bench is partially covered in snow. The ground is a smooth, white expanse of snow. In the background, several trees are heavily laden with snow, their branches creating a delicate, white web against a pale, overcast sky.
