

**Where to
go in the
summer in
Russia**

**n the summer I really want to visit the black sea coast of Russia,
in Sochi. This is a very beautiful coastal city which is located near
the sea and the mountains.**

**This city takes the first position that lovers go skiing and
snowboarding can come to one place and get two pleasures at
once , to ride and swim**

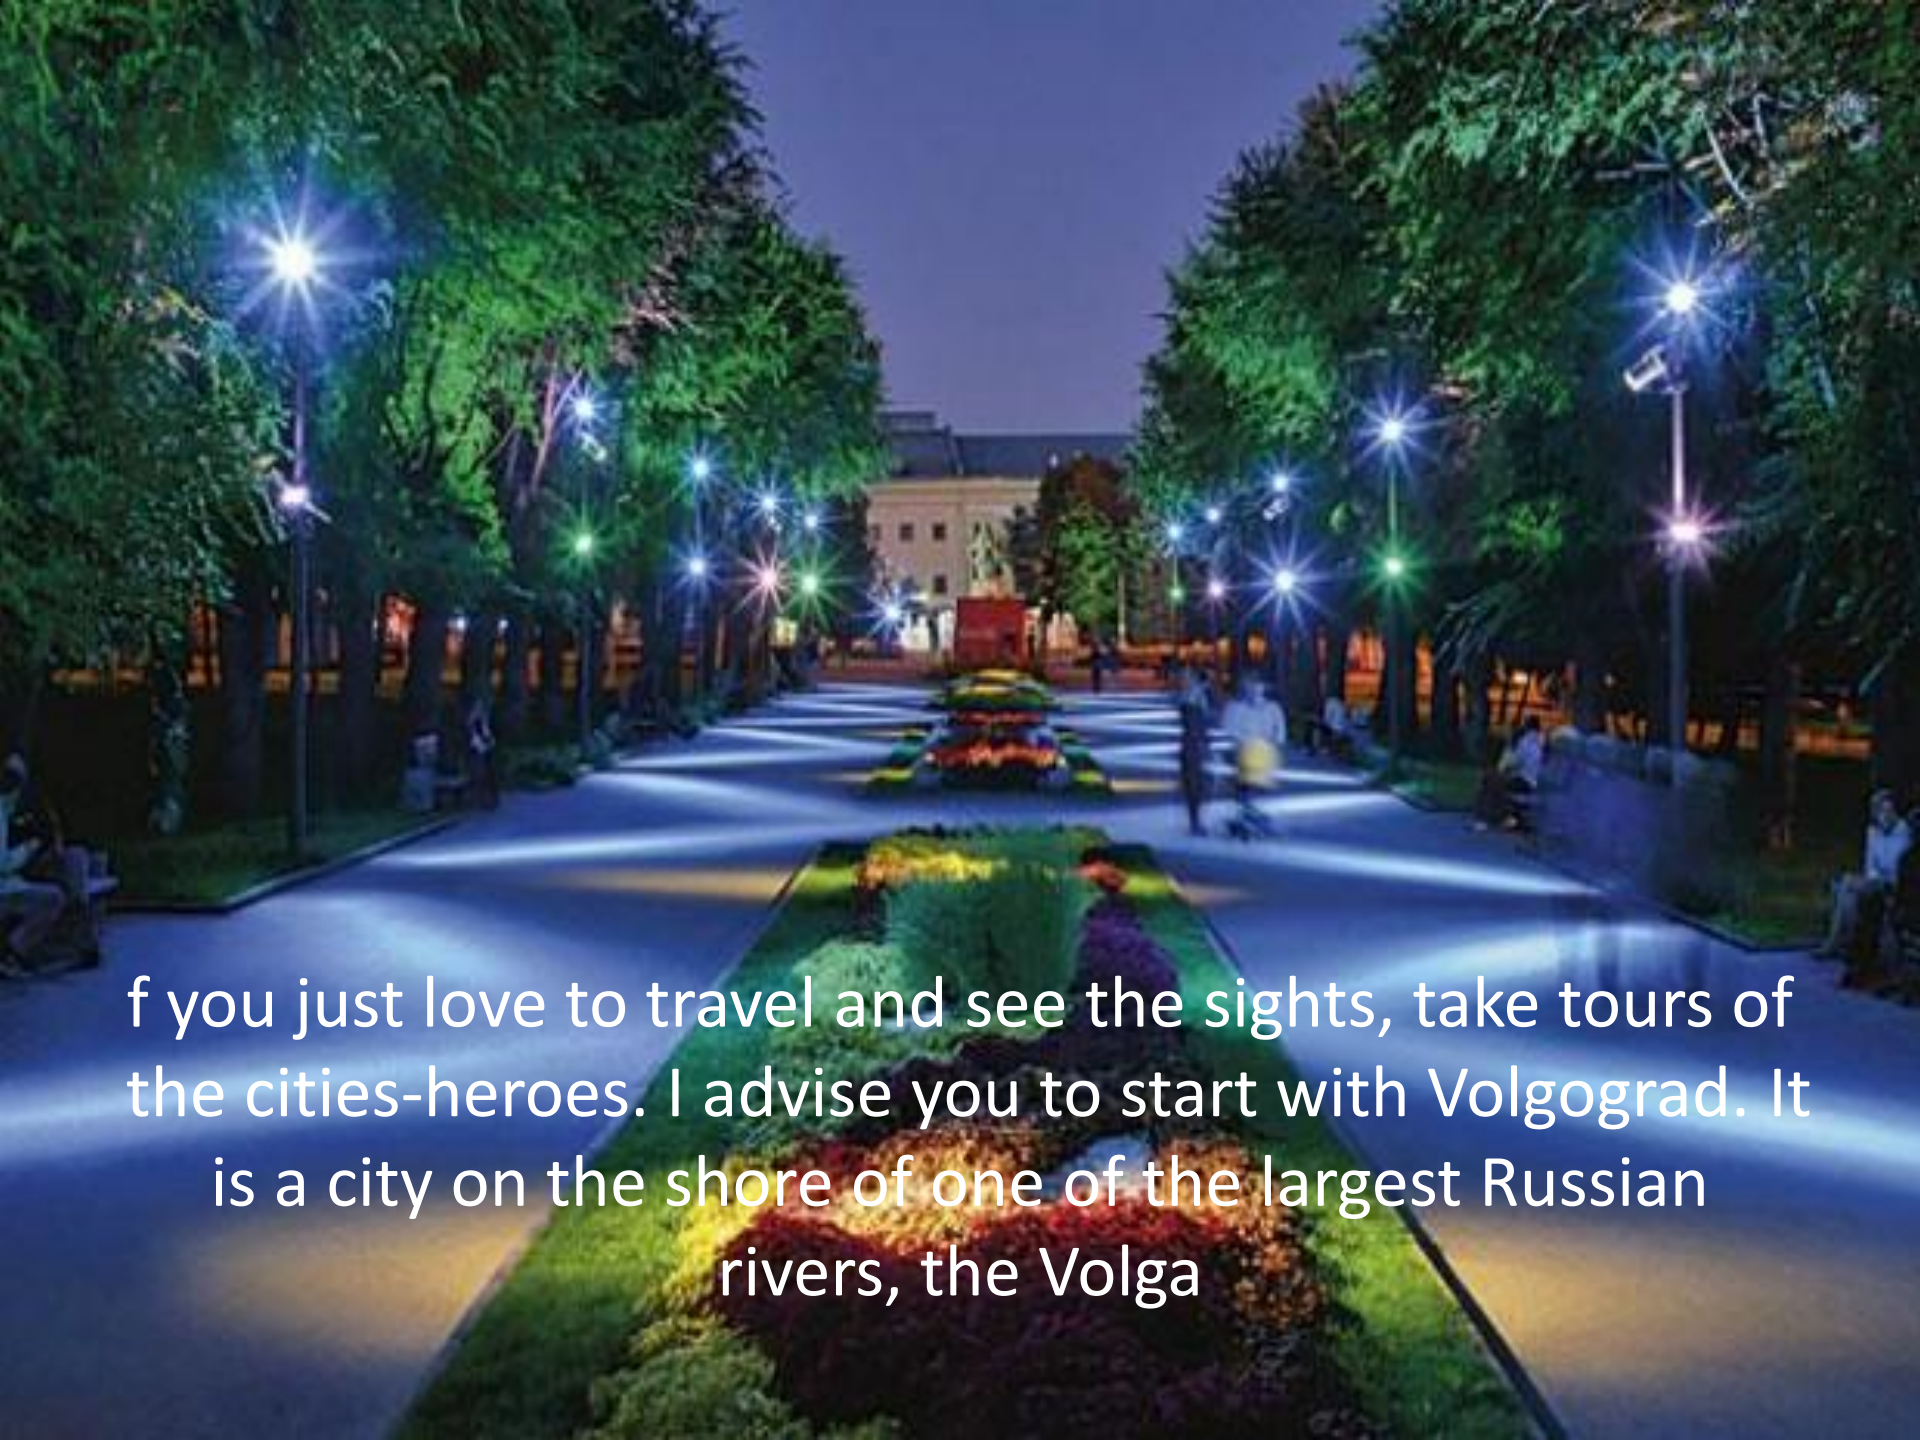

**The warm sea is calling me with
its cries of gulls**

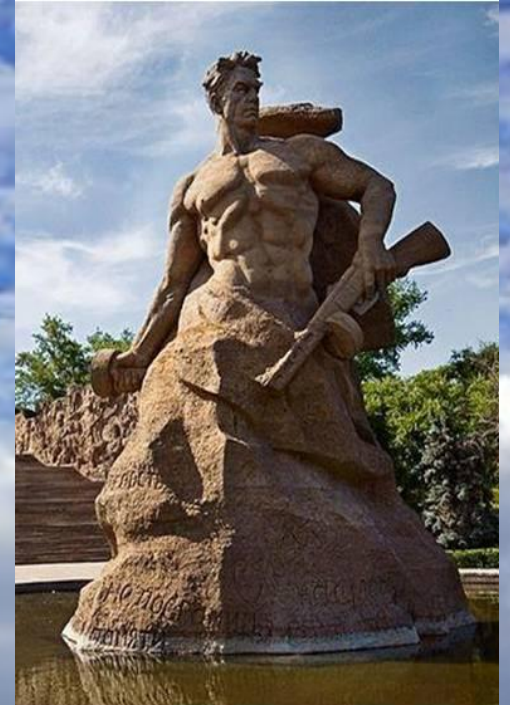

**like to swim on the boat and stare in
this alluring blue yonder**

Several times I saw dolphins very close, it was worth to lend a hand.
It's an unforgettable sight!
