

Would you like to make a fruit cake yourself?

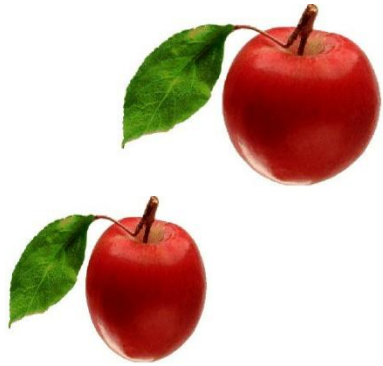

Would you like to make a fruit cake yourself?

Do you know **how many** fruits do you need for a cake?

How many apples can you see  
here?

(It is not enough to make an apple  
cake.)

1. A lot of.

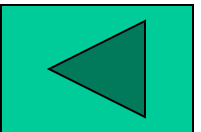

2. A few.

3. Few.

How many apples can you see here? (It is **not enough** to make an apple cake.)

Few.

How many cherries can  
you see here?  
(It's enough to make a small  
cherry cake.)

1. A lot of.

2. A few.

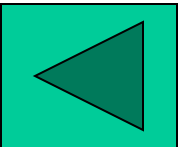

3. Few.

How many cherries  
can you see here?

(It's **enough** to make a  
**small** cherry cake.)

A few.

How many  
lemons can you  
see here?  
(It's enough to  
make a big lemon  
cake!)

1. A lot of.

2. A few.

3. Few.

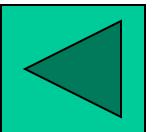

How many  
lemons can  
you see here?

(It's **enough** to  
make a **big** lemon  
cake!)

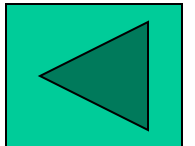

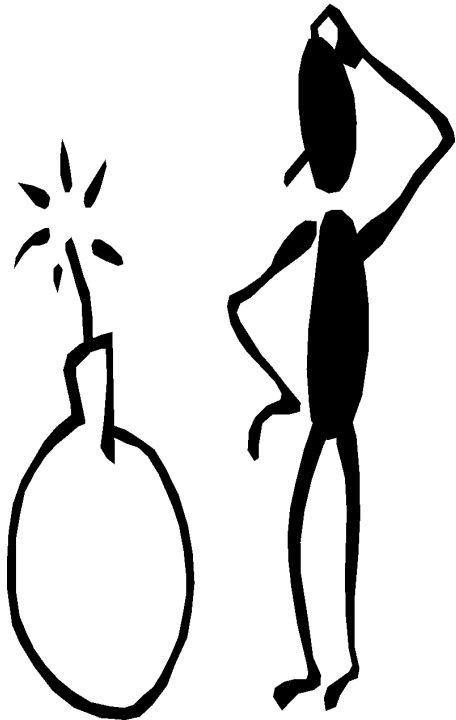

A lot of.

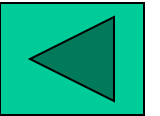

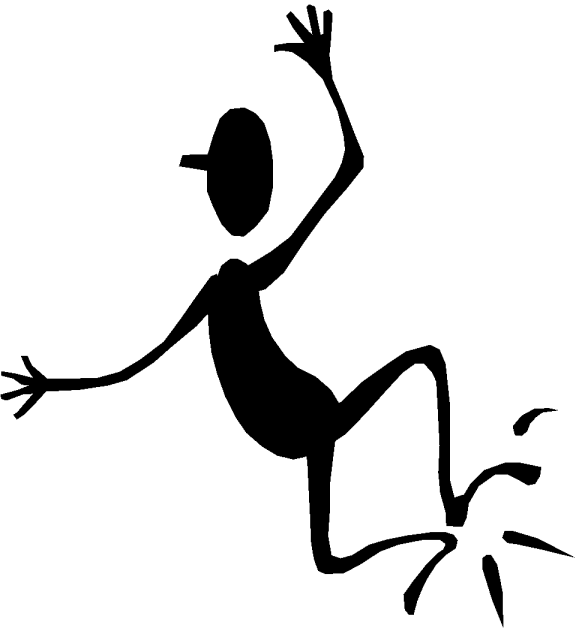

That is not correct.

Try again!

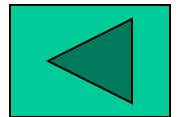

That's correct.

Well done!

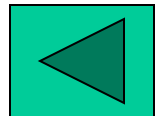

That's correct.

Well done!

That's correct.

Well done!

Nice work!

Thank you!
