A large white bird with a long orange beak is shown in flight over a blue ocean. The bird's wings are spread wide, and it is positioned in the lower half of the frame. In the background, several other birds are flying against a bright blue sky with scattered white clouds. The word "конец" is written in large, bold, orange Cyrillic letters across the center of the image, partially overlapping the bird's wings and the sky.

конец

The background of the entire image is a close-up photograph of green iris leaves. The leaves are long, narrow, and pointed, with a vibrant green color and visible veins. They are arranged in a dense, overlapping pattern, creating a textured and layered appearance. The lighting is bright, highlighting the edges and surfaces of the leaves.
