

A deep blue night sky filled with numerous stars of varying sizes and brightness. Several prominent stars have distinct four-pointed diffraction spikes. A bright, hazy nebula or star cluster is visible in the upper left quadrant, partially obscured by the text.

«ЗВЁЗДНЫЙ ЧАС»

A bright yellow comet streak with a long, glowing tail, set against a dark blue background filled with numerous small, white stars. The comet's head is at the top center, and its tail extends downwards and to the right. The numbers '1' and '2' are written in a bold, yellow, sans-serif font, positioned on either side of the comet's head. The number '1' is on the left, and the number '2' is on the right.
