

A warm-toned photograph of a desk. In the foreground, several large, multi-petaled flowers in shades of yellow and orange-red are arranged. To the right, a blue multi-compartment pen holder contains various colored pencils and pens. A red, glossy object, possibly a stapler or paperweight, is partially visible. In the bottom right corner, a notebook with a red cover and a maple leaf design is open, showing the word 'Тетрадь' (Tetrad') in a stylized font. The background is a solid yellow wall.
