2016 г.

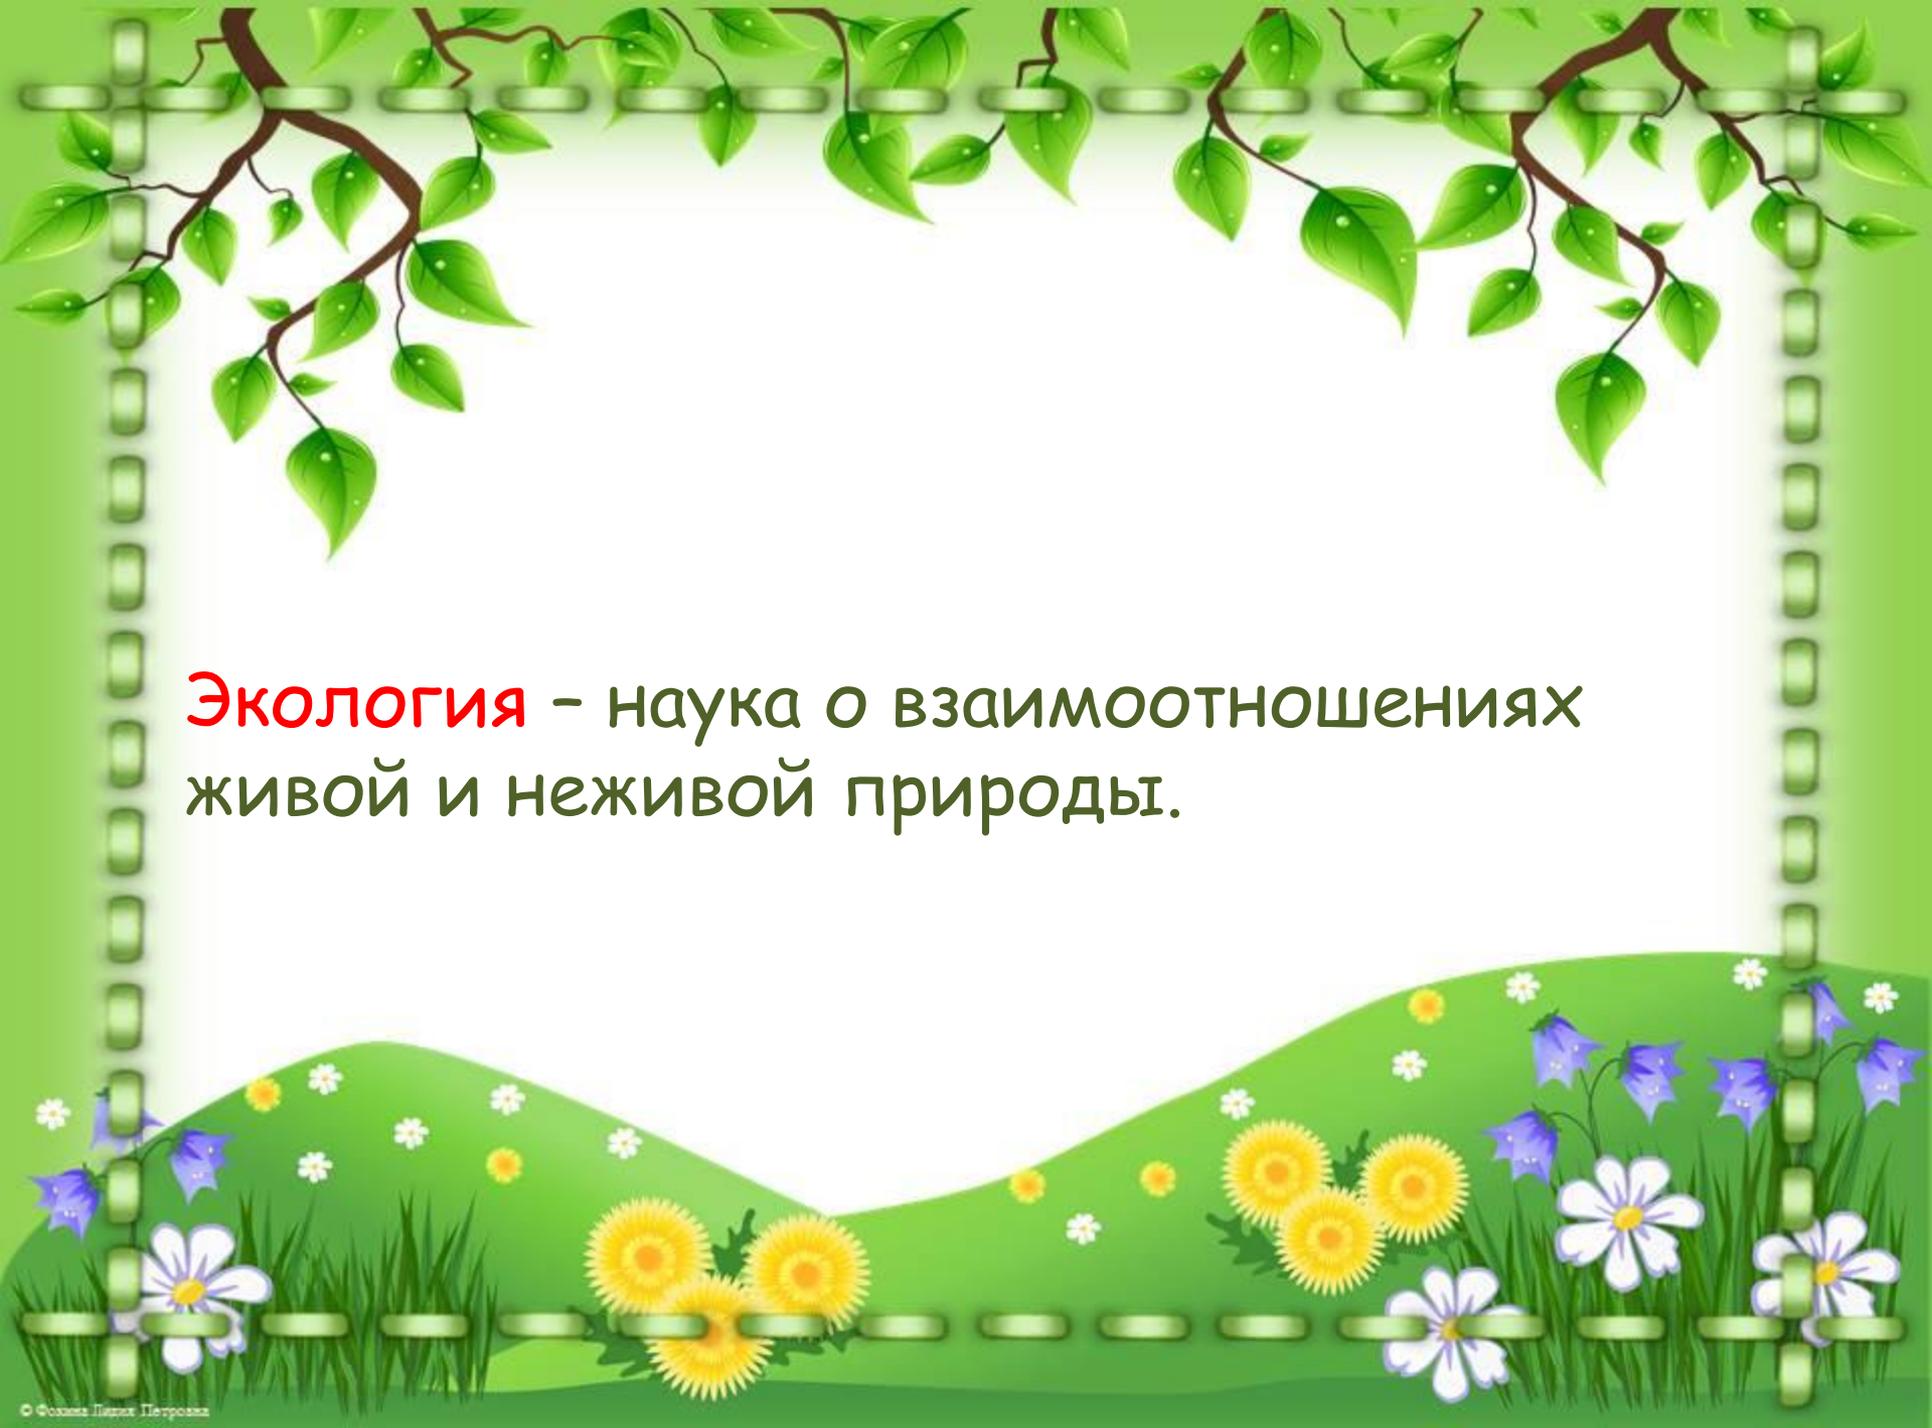

The image features a decorative border with green leaves and flowers. At the top, there are brown branches with vibrant green leaves. At the bottom, there are rolling green hills with various flowers, including yellow daisies, purple bellflowers, and white daisies. The background is a light green gradient.

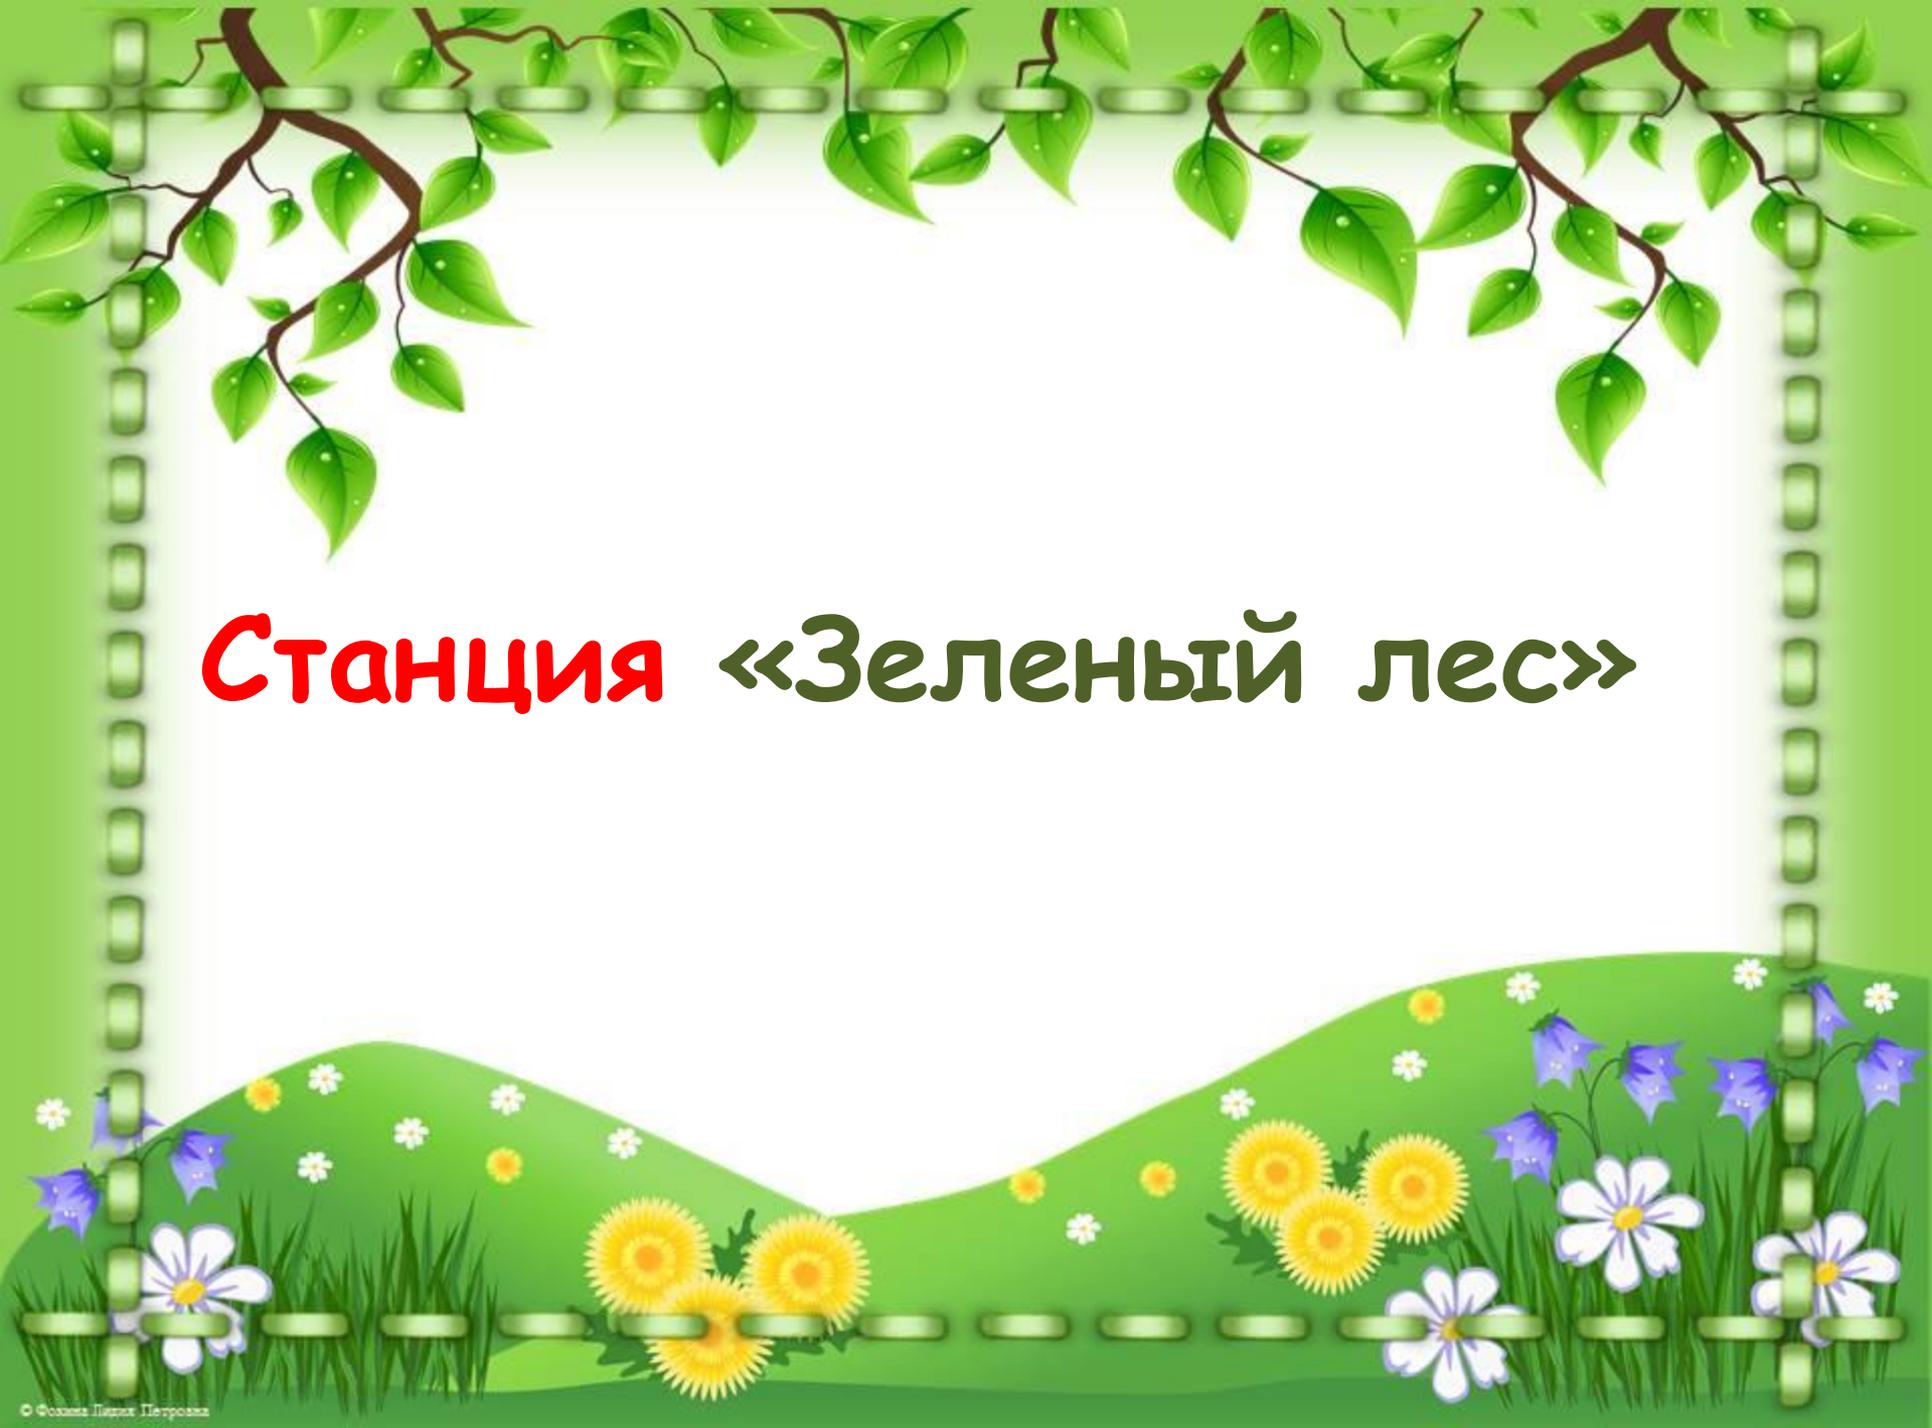

**" Помогите вернуть
былую красоту, птиц
и животных!"**

A decorative border surrounds the central text. At the top, there are brown branches with vibrant green leaves. At the bottom, there are rolling green hills with various flowers, including yellow daisies, purple bell-shaped flowers, and white daisies. The entire scene is set against a light green background.

ЭКОЛОГИЯ

The image features a decorative border with green leaves and flowers. At the top, there are brown branches with vibrant green leaves. At the bottom, there are rolling green hills with various flowers, including yellow daisies, purple bellflowers, and white daisies. The entire scene is framed by a green border with a repeating pattern of small, rounded rectangular shapes.

Экология - наука о взаимоотношениях
живой и неживой природы.
