$$8 - \star = 6$$

$$7 - \star = 5$$

$$7 + \star = 9$$

A colorful cartoon illustration featuring two dwarfs. One dwarf is in the foreground, wearing a pink cap and a yellow tunic with black spots, holding a bunch of blueberries. The other dwarf is in the background, wearing a red cap and a pink tunic, also holding blueberries. They are surrounded by a lush garden with various flowers like pink daisies and bluebells, and green vines with blueberries.
