Растения леса

Подготовила
учитель начальных классов
МОУ «Ракитянская СОШ №1»
Латышева Татьяна Анатольевна

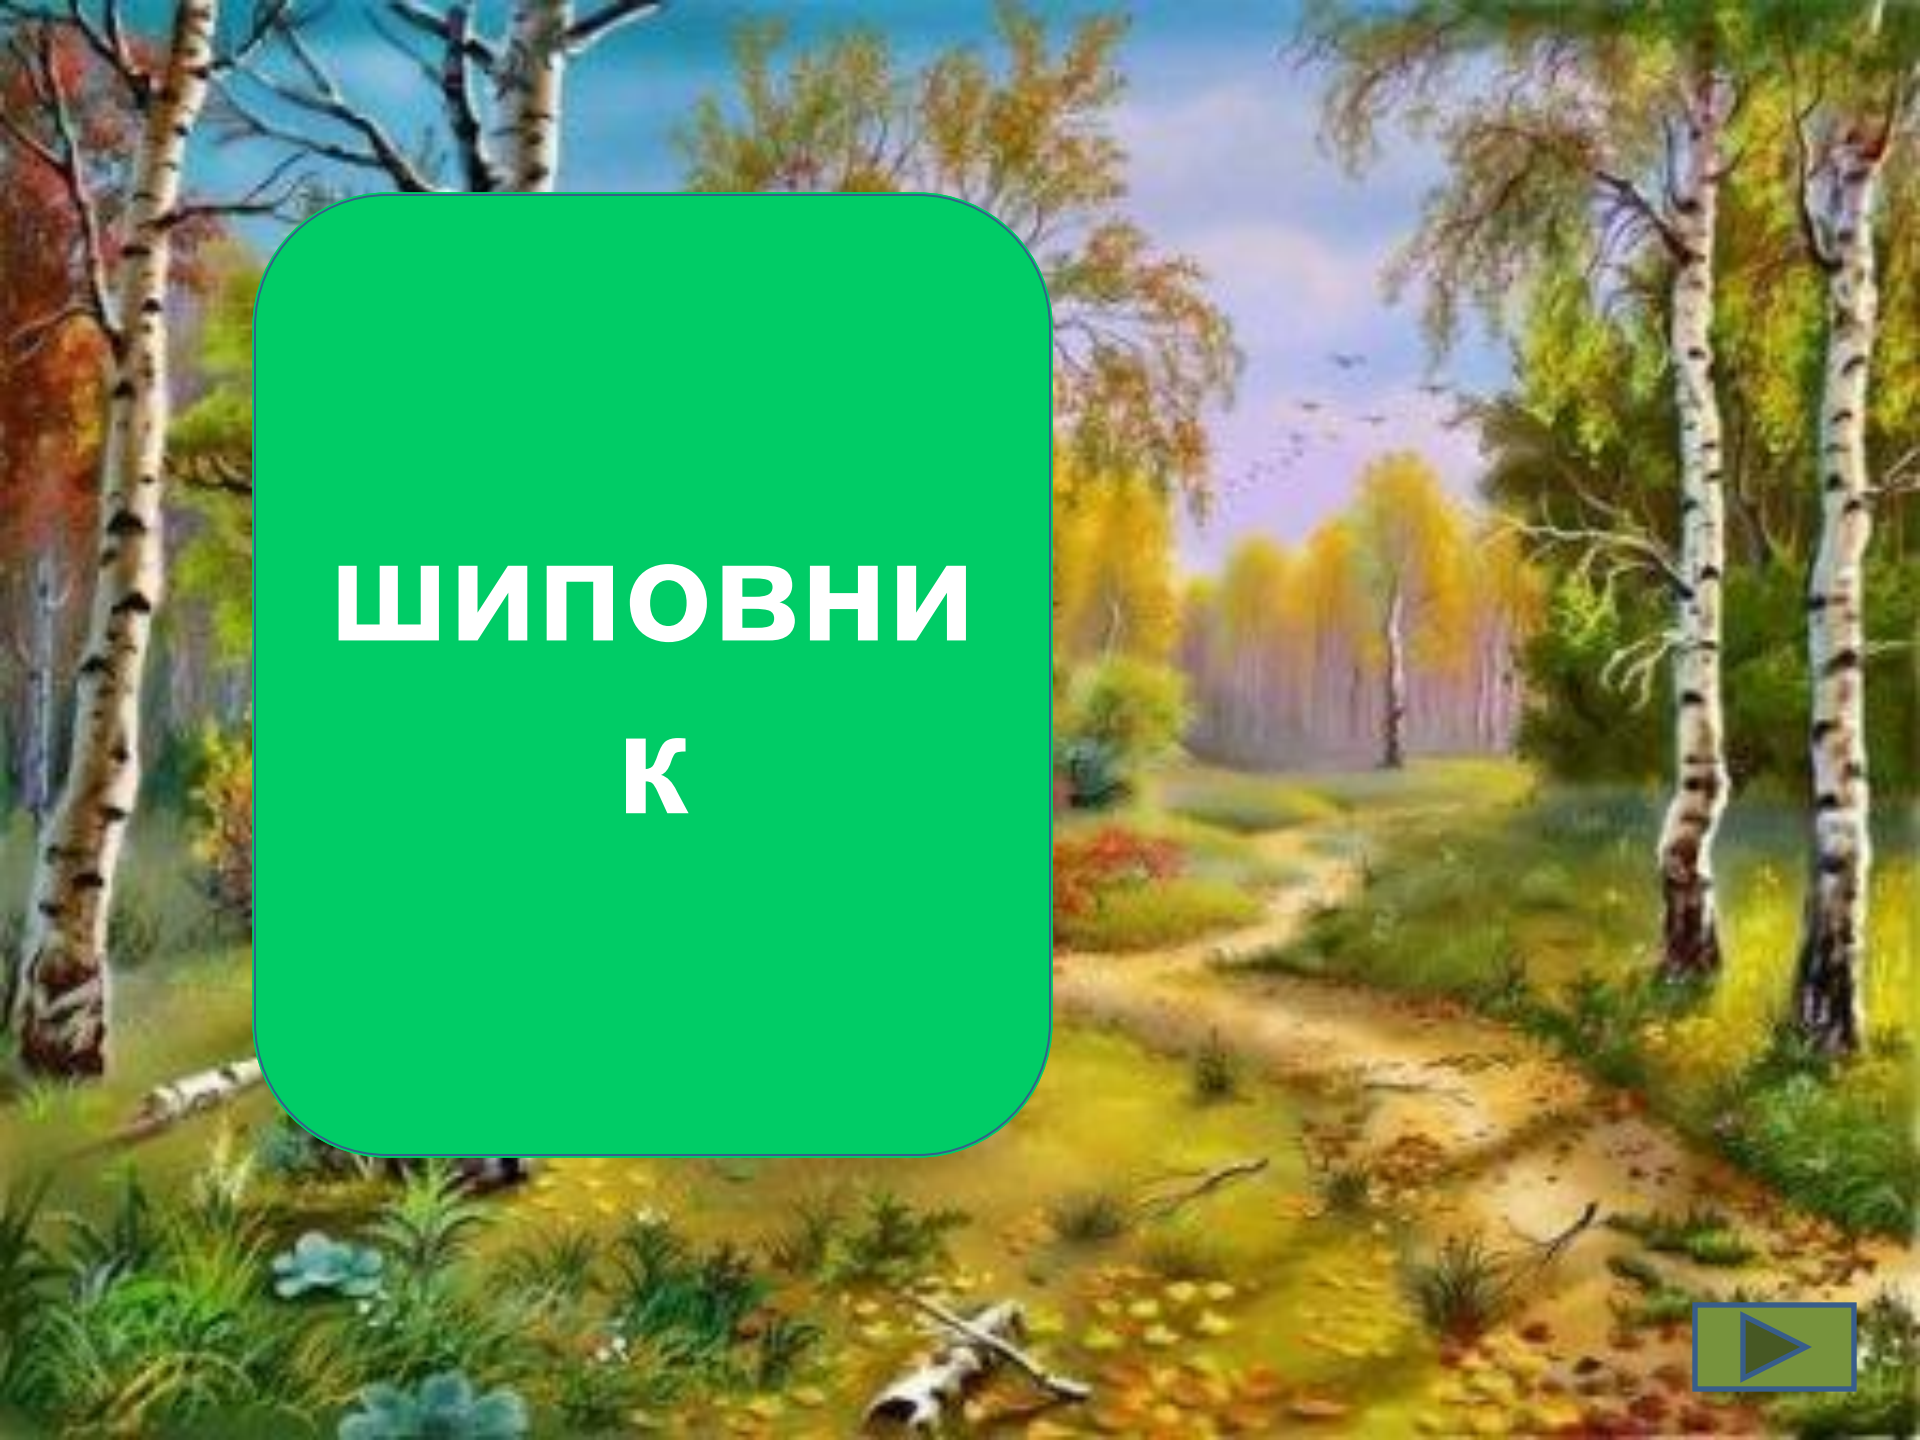

Дорогие ребята!
Недавно вы изучили особенности
зоны лесов. А помните ли вы
растения смешанных лесов?
Давайте вспомним вместе.
Готовы к работе?
Удачи вам!

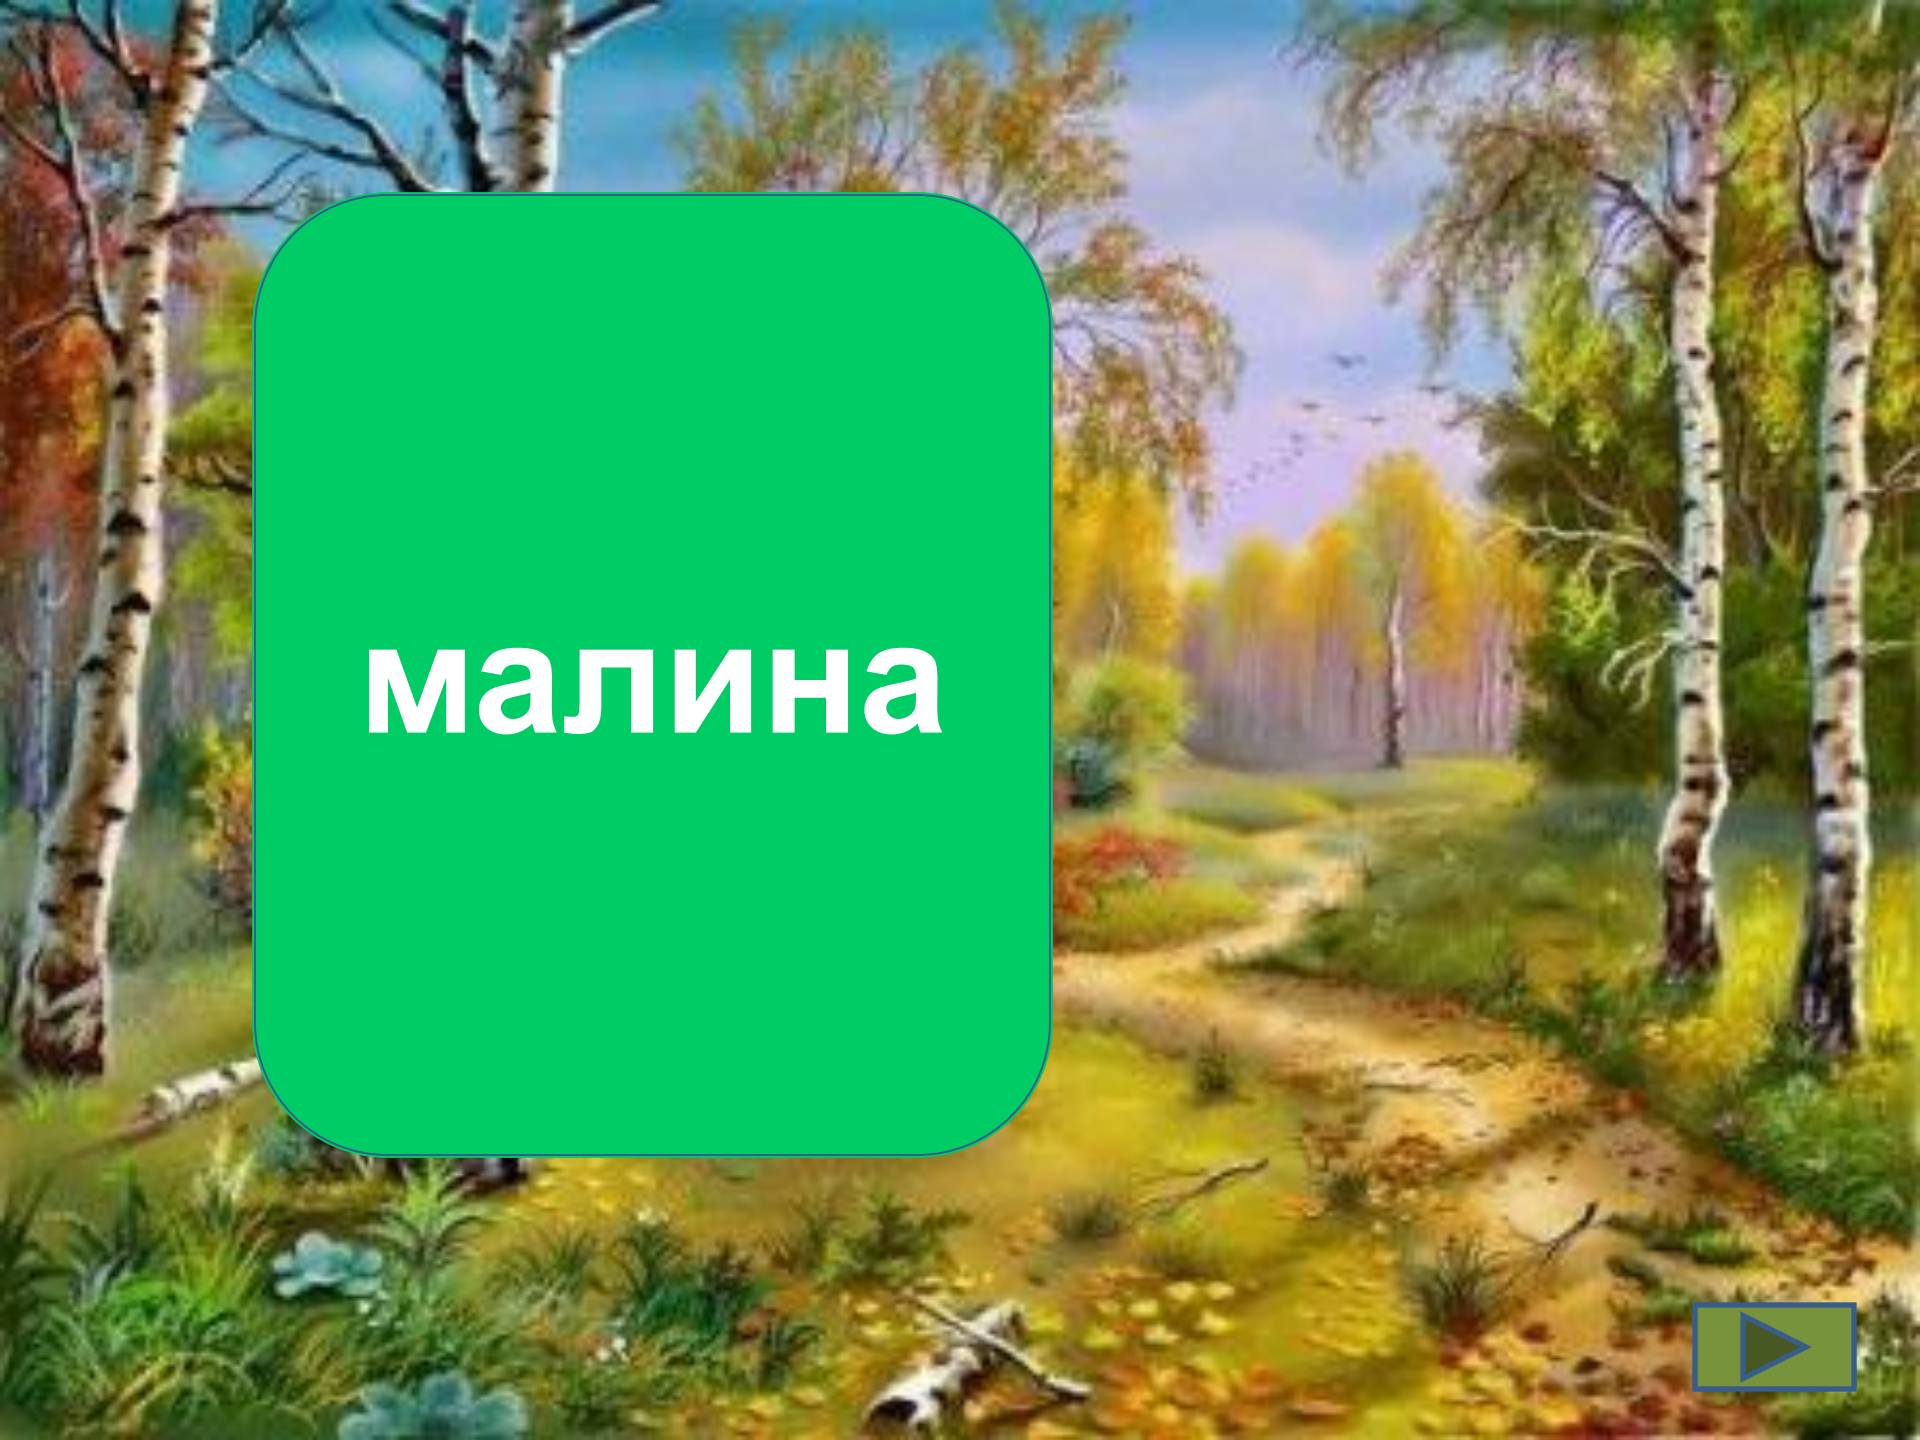

A detailed painting of a forest in autumn. A dirt path leads through a clearing with green grass and fallen leaves. Several birch trees with white bark and black lenticels stand prominently. The background is filled with trees in shades of yellow, orange, and red, suggesting a dense forest. The sky is a soft blue with wispy clouds. In the bottom right corner, there is a small blue square icon with a white right-pointing triangle.

дуб

A detailed painting of a forest path. The path is a light brown dirt trail that winds through a lush forest. On either side of the path are tall birch trees with characteristic white bark and black lenticles. The ground is covered with green grass, fallen leaves in shades of yellow and orange, and some small blue flowers. In the background, more trees are visible, some with yellowing leaves, suggesting an autumn setting. The sky is a soft blue with a few wispy clouds. The overall scene is peaceful and scenic.

ШИПОВНИ К

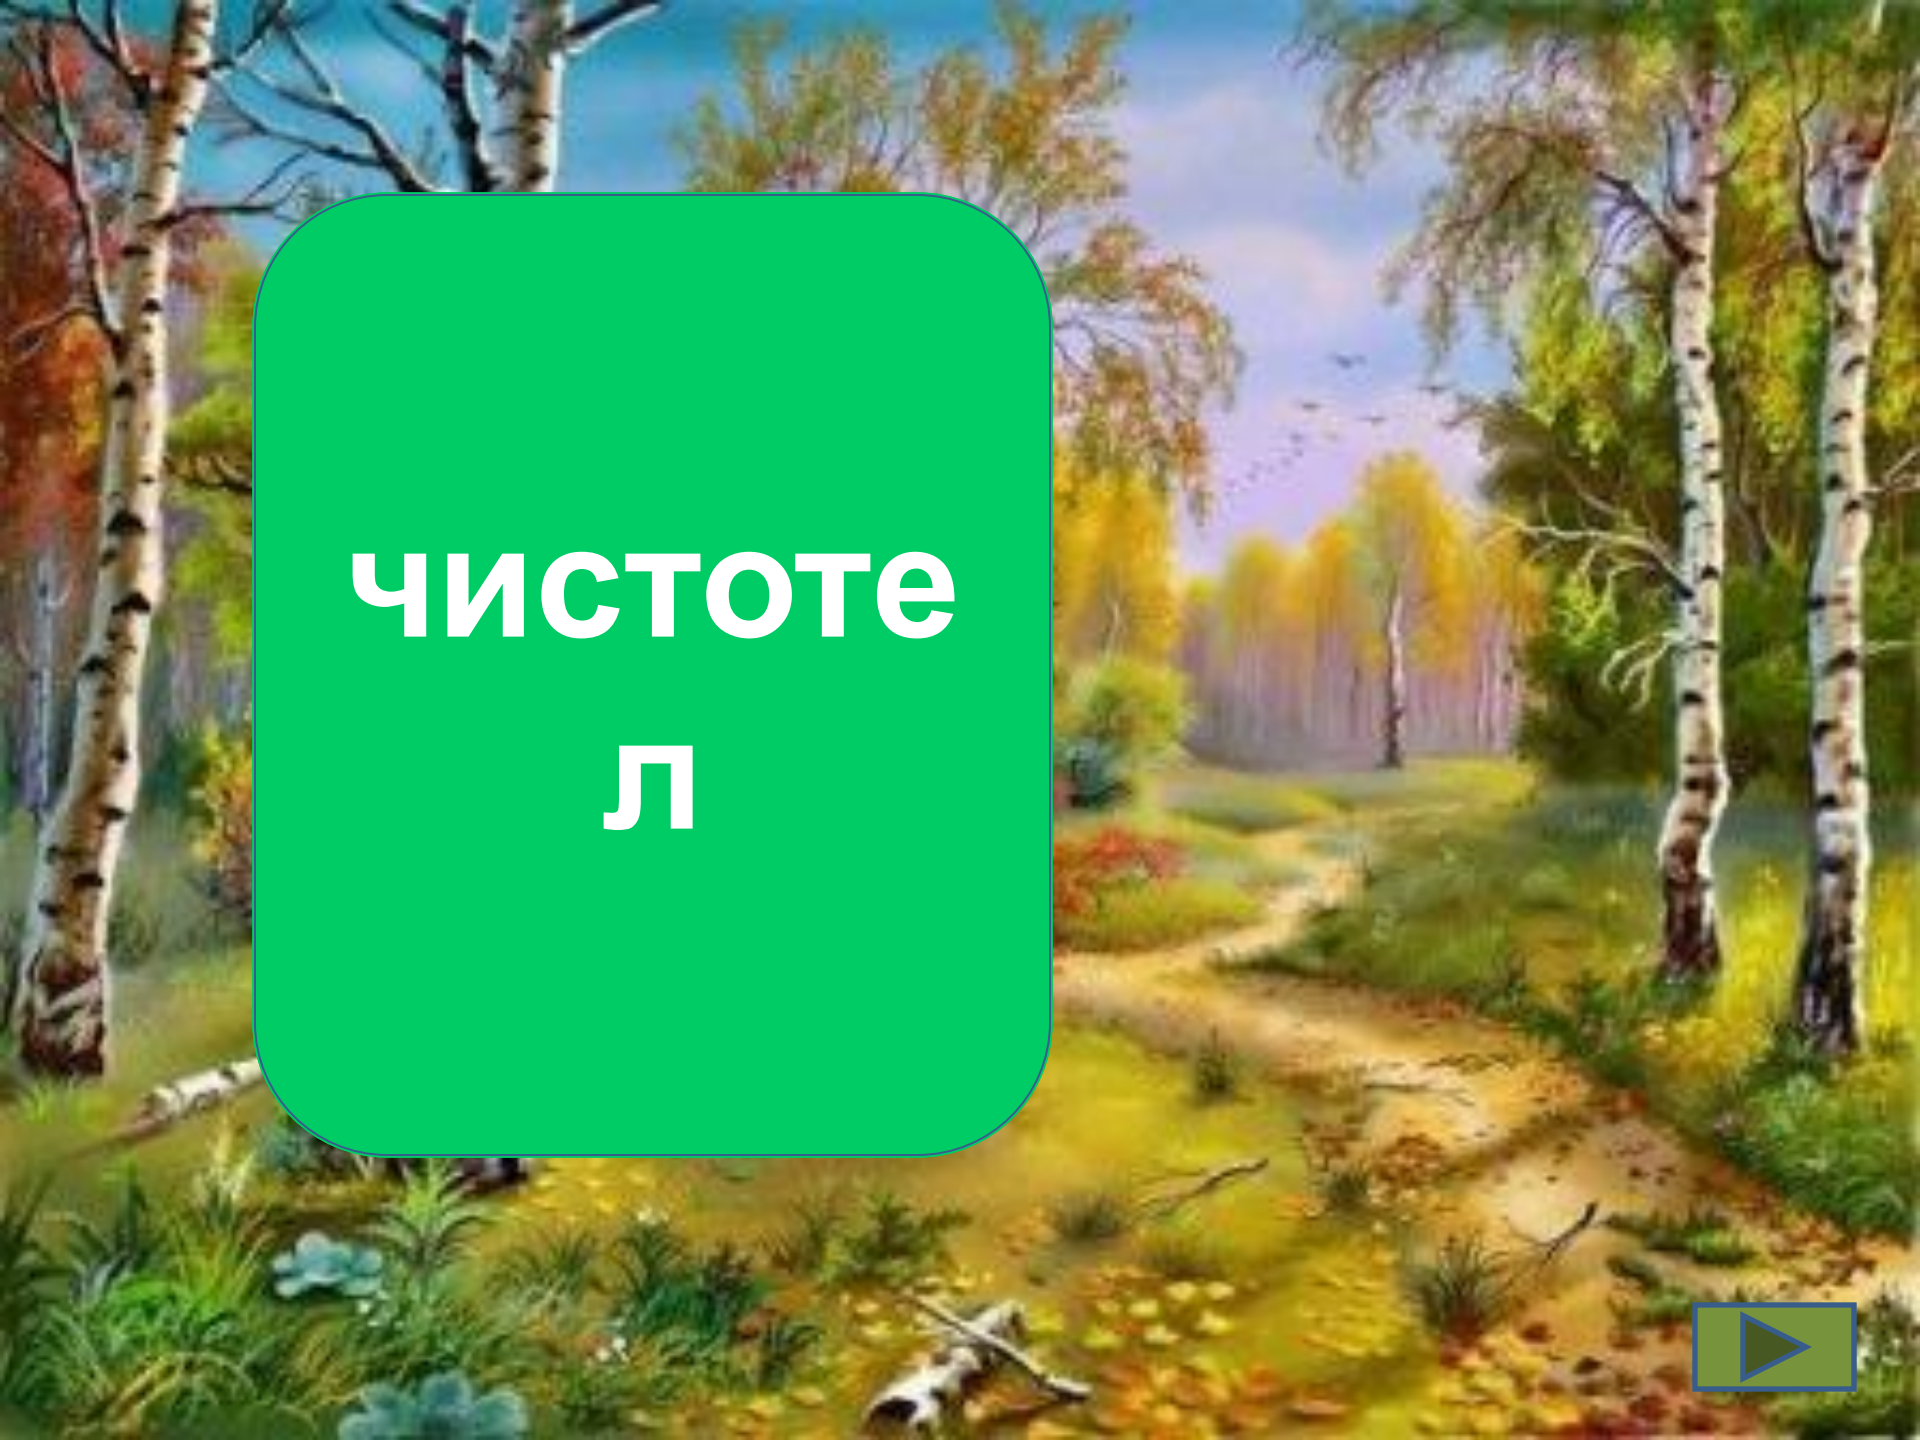

малина

A detailed painting of a forest path. The path is a light brown dirt road that winds through a lush forest. On either side of the path are tall birch trees with white bark and black lenticels. The ground is covered with green grass, yellow wildflowers, and fallen leaves. In the background, more trees with autumn-colored foliage are visible under a blue sky with soft clouds. A small stream or ditch runs alongside the path in the distance.

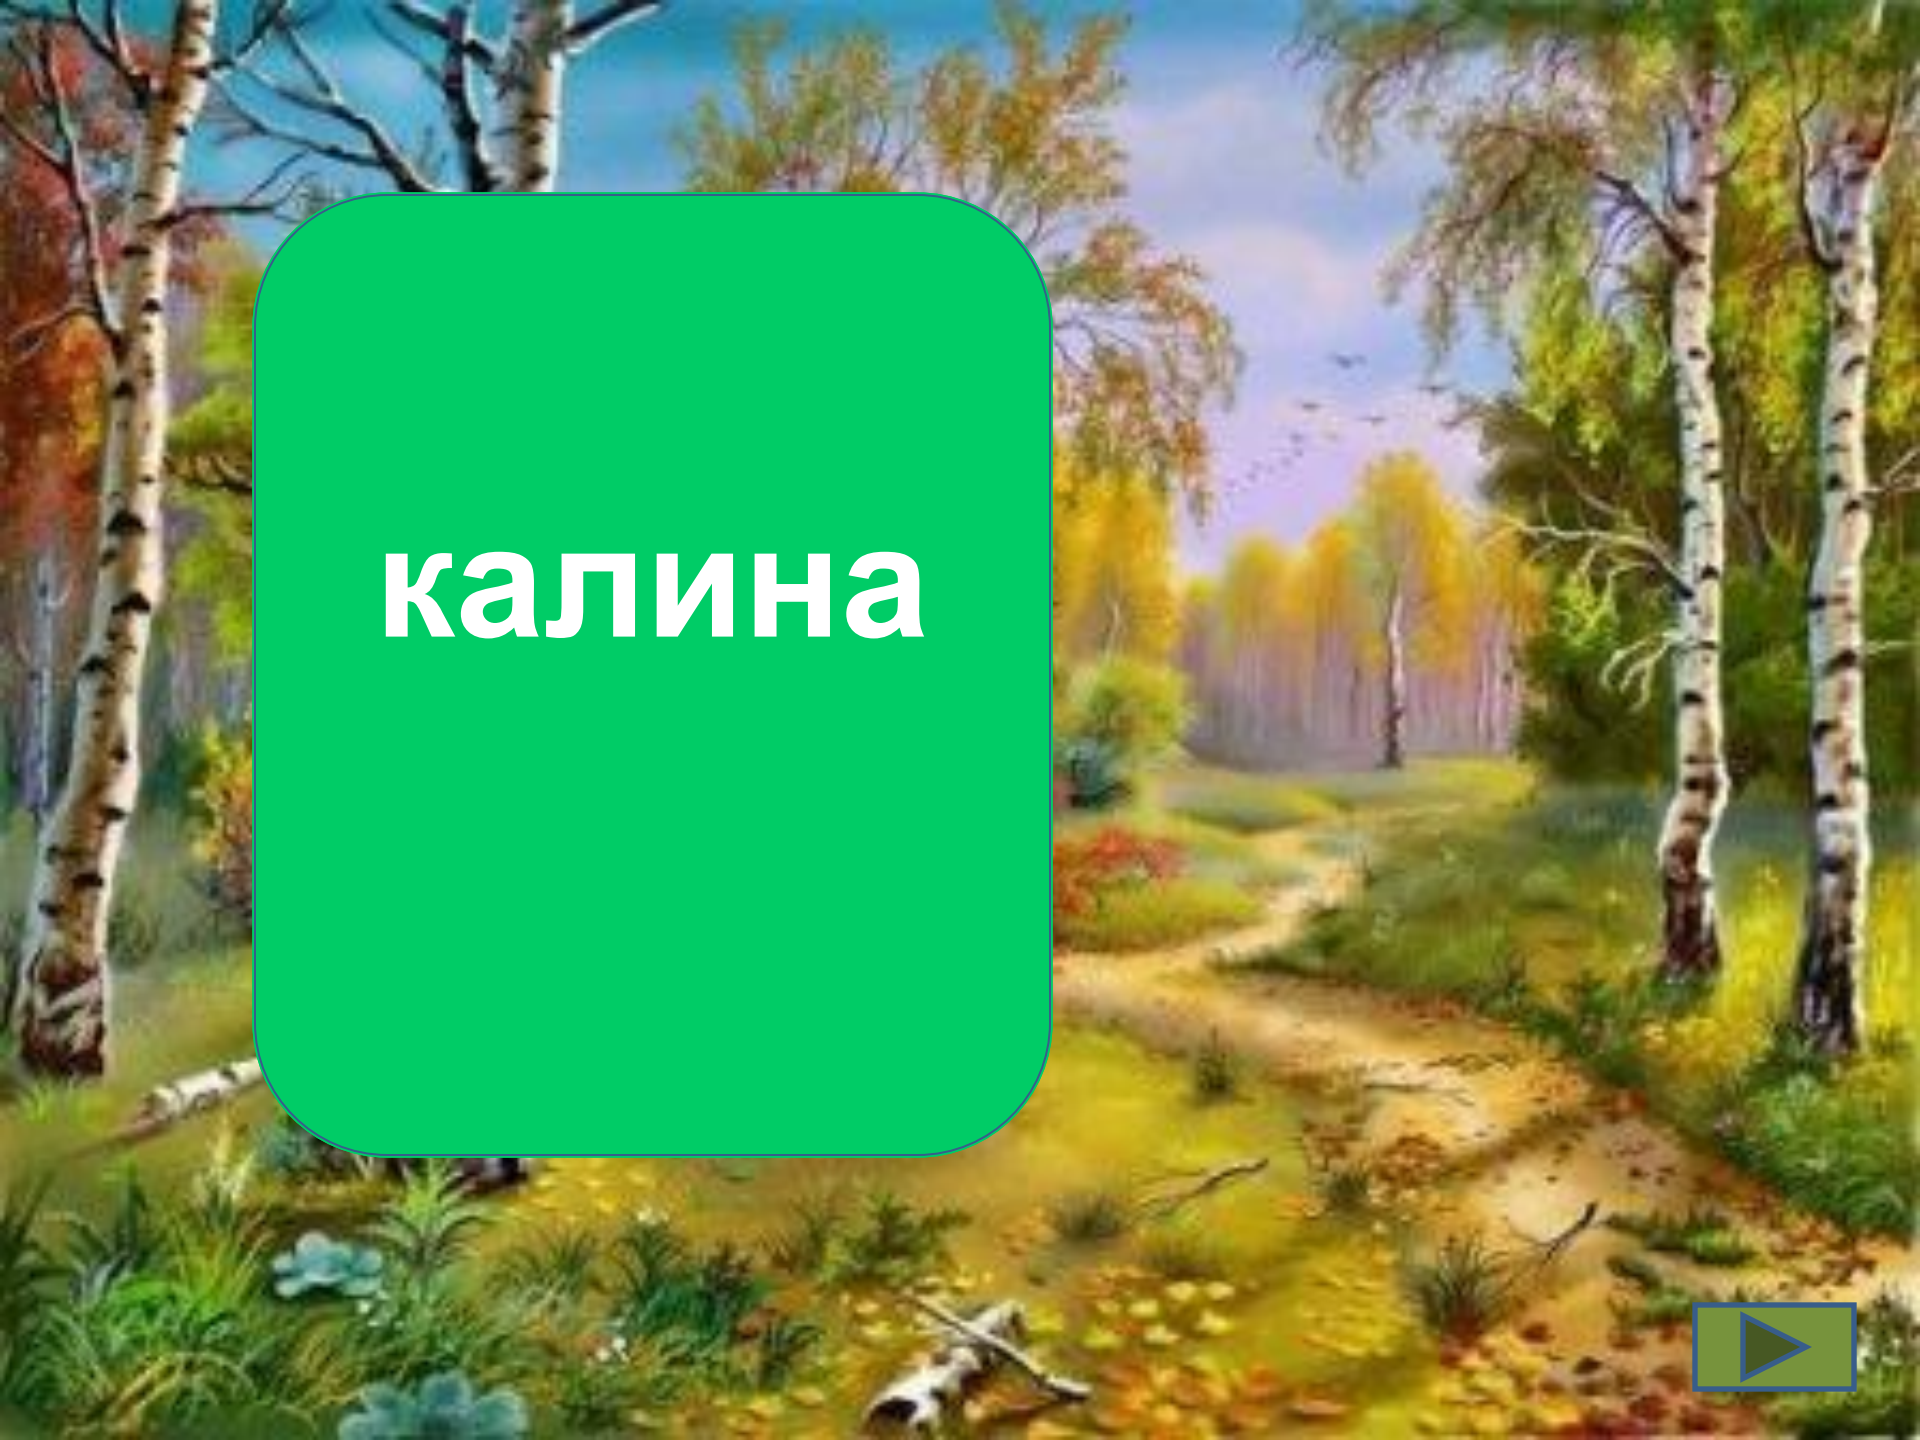

берёза

A detailed painting of a forest path. The path is a light brown dirt road that winds through a lush forest. On either side of the path are tall birch trees with white bark and black lenticels. The ground is covered with green grass, yellow wildflowers, and fallen leaves. In the background, more trees with autumn-colored foliage are visible under a blue sky with soft clouds. A small stream or ditch runs alongside the path in the distance.

A small stream or ditch runs alongside the path in the distance.

боярышн ик

A detailed painting of a forest path. The path is a light brown dirt trail that winds through a lush forest. On the left, several birch trees with white bark and black lenticels stand prominently. The ground is covered with green grass, yellow wildflowers, and fallen leaves. In the background, more trees with autumn-colored foliage (yellows and oranges) are visible under a soft, hazy sky. The overall scene is peaceful and scenic.

A detailed painting of a forest path. The path is a light brown dirt trail that winds through a lush forest. On either side of the path are tall birch trees with characteristic white bark and black lenticles. The foliage is in various stages of autumn, with some trees showing vibrant yellow and orange leaves, while others are still green. The ground is covered with fallen leaves and small plants. In the background, the path leads into a misty or hazy forest, with a few more trees visible. The sky is a soft blue with some light clouds. The overall mood is peaceful and serene.
