Под одним из кубиков спрятан Колобок.

Служанка Ошибка (можно назвать иначе) предлагает решить примеры. За кубиком с правильным ответом спрятан Колобок. Нужно кликать на кубике с правильным ответом. Слайды можно копировать и вставлять в свои презентации. Все картинки в презентации нарисованы в программе Xara Xtreme Pro 5.

Дети под руководством взрослого составляют по картинкам задачи. При клике мышки идёт проверка: появляется решение задачи (пример), при новом клике – ответ. Слайды можно копировать и вставлять в свои презентации. Все картинки в презентации нарисованы в программе Xara Xtreme Pro 5. Задачи можно распечатать, тогда получаются замечательные карточки.

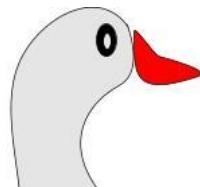

Удачи!
